Mfg. of Non-Ferrous Components & Fasteners

# About Us

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

## Manufacturing Relationships. Distributing Quality.

**| Thinker & Maker | Customize Precision Brass Components, Fastner & Copper based Alloys Extruded Rods, Tubes, Profiles & Section.**

It is our privilege to welcome you into family of Ishita Industries, manufacturer of precision turned component & Fastener in India.

Ishita was established in 1994 in the Brass city of India (Jamnagar). Ishita, a leading company in the production of Precision Brass Component conforming to buyers Technical Specification with ( Drawing & Sample ) & ensure stringent Quality Standard.

Ishita Group Was built on the highest Quality Standards In 'The Industry. Conceived Way Back In 1994, Ishita Industries, enjoys a Highly Reputed Position in Precision Brass Component Segment in INDIA & Abroad. In short, Ishita Ind. is one of the very few companies in Jamnagar which has in-house raw material (Import based), In house Extrusion plant, In house Production Unit & In house Finish Plant.

**" All are Under One-Roof Only to Exercise better control on Quality "**

We, Ishita Brass India, hereby introduce ourselves as a leading manufacturer in India of Copper based Alloys Extruded Rods, Tubes, Profile & section as per IS, EN, BS, DIN, JIS, ASTMD, GOST & other INTERNATIONAL STANDARDS.

Due to investment in modern manufacturing technology, quality accuracy, measuring, testing equipments and R & D facility company has successfully developed precision turned components, fasteners, sheet metal ( Stamping ) components, Precision Engineering Component, Electricals Parts, Sanitary Parts, Milling, Broach, & Forged Components, etc. for the industries related to automobile sector, electronic and electrical sector, tele-communication sector, instrumentation sector, plastic moulding sector etc.

## Our Goal

To build respect for Indian products in International markets by developing most efficient indigenous solutions & world for a better tomorrow.

## Our Values

1. Respect & Honesty in our DNA.
2. Remarkable Identity.
3. Creativity is our weapon & Quality is our attitude.
4. Trust among customers.
5. Excellence in everything we do

## Mission & Vision

In alignment with our vision to be the best, we believe & aim in keeping manufacturing infrastructure upgraded with the new innovation, machineries & technologies.
Innovation isn't just about product development, but it also helps in upgrading employee's knowledge which make them ease at their work's as well as customer satisfaction in the modern era.

# Manufacturing Process

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

## Entire Manufacturing Processes are carried out " Under One Roof " only to Exercise better Control on Quality

Raw Material Inspection

Melting Process

Material Inspection

Billet Cutting

Tools Room

Billet Heating for Extrusion Process

Extrusion Process

Acid Wash

Straightening - Pointing - Charufering - Annealing Process

# Manufacturing Process

Mfg. of Non-Ferrous Components & Steel Fasteners

# Quality is never an Accident. It is always the Result of Intelligent Effort.

## ISO9001:2015 Certified Company

**ISHITA INDUSTRIES** is committed to provide excellent Quality, to meet all customers through customer feedback, innovation and continual improvement of all processes leading to customers delight.

Every drop of hardwork & each act of labour is invested to win your trust in our QUALITY. Each and every stage of production is monitored by our expert professionals. The strict quality control is maintained through out the production cycle i.e. starting from raw material till the finished good that is ready for dispatch.

We have our own latest & updated modern laboratory equipped for material testing, both chemically & physically.

**ISHITA shall strive to delight the customer by continuously improving the quality of its products and services through :**

1. Development and involvement of employees and vendors
2. Continuous upgradation of Technology, Process and Systems

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

Safety - Quality - Excellence

## We implement an Environmental Management System certified (ISO 14001:2015) in all our production plants.

**WATER :** Generated water is recycled through effluent water treatment plant which helps to use the recycled water again in the manufacturing facility.

**ENERGY :** We take a lot of effort in seeing that energy is not wasted or unwisely used. We have installed extra capacitors to control the reactive & non-reactive power losses. Also, continuous training is given to production staff towards energy efficiency & savings.

**AIR :** Exhaust hot gases and zinc oxide are passed through chimneys & collected through bag houses. Zinc oxide is collected in bag house drums and oxide free gases are released, while zinc oxide ash is sold to government authorized processors.

**OTHER WASTES :** We have introduced and implemented Industrial Waste Management.

We reap what we saw. At **ISHITA** , we believe firmly in giving clean environment the first priority. All our plans, policies and processes are first scrutinized for their impact on the environment and then put into practice. We strive to conserve and even enhance natural resources.

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

## Safety - Quality - Excellence

At **ISHITA** , we believe our team is our biggest asset and to ensure their health and safety, we have a stringent policy. We have developed practices to create a hazard free and accident free working environment. Systems like fume arrester and ETP plant for zero discharge of water make the processes friendly to the humans.

We implement an Health & Saftey System certified **(OHSAS 18001:2015)** in all our production plants. And our senior expert teach this system to worker and inform all instrument about health and safety how to implement various instrument on various situations.

ISHITA is committed to fully comply with the legal and other requirements governing its operations. It is committed to prevent workplace accidents and occupational illness and to eradicate any risks that could arise from its operations.

# Why Choose Us ?

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

## Process we Undertake

Turning, Forging, Sheet Cutting ( Stamping ), Milling, Grinding, Drilling & Tapping, Plastic Moulding, Knurling, Sand Casting, Broaching, Plating, Annealing, Mechanical Assembly, Anodizing, Burnishing, Passivation.

## Surface Roughness

Ra _up to 0.40 µ

## Tolerance We Maintain

Upto 0.01MM

## Size We Handle

Circumscribe Diameter 1.5MM to 200MM

## Length We Handle

Turning Length 400 MM

## Material we serve

Copper, Brass, Bronze, S.S, Aluminium

## Thread we serve

- Metric ISO Thread [M]
- Metric ISO Fine Thread [MF]
- Unified Coarse thread [UNC]
- Unified Fine thread [UNF]
- Unified Coarse thread for Screw thread inserts [EG UNC(STI)]
- Unified Extra Fine thread [UNEF]
- British Standard pipe thread [BSP] OR [BSPT] OR [G]
- Whitworth Standard parallel internal pipe thread [RP]
- British Standard Whitworth thread [BSW]
- British Standard Fine thread [BSF]
- Steel conduit thread DIN 40 430 [Pg]
- British Association Standard thread [BA]

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

# To build & respect for INDIAN Product in Global Market

## IMPORTS

We are one of the very few companies in Jamnagar which has in-house raw material (Import based). We Imports Brass scrap (Honey) & Copper scrap, from USA, EUROPE & UK.

## EXPORTS

We have successfully carved for ourselves, a catbird seat in the global marketplace and have explored various markets for our products. Backed by an impressive dealer network spanning over India & abroad, we are able to supply our cost effective and innovative product range, to a wide cross section of discerning buyers across the globe.

We are treated as a trustworthy Manufacturer, Exporter and Supplier in the international market for offering premium quality Brass Precision Turned Components & Accessories.

We export Copper based Alloys Rods, (Solid & Hollow), Tubes, Profile & Section as per International Standards like IS, BS, DIN, JIS, ASTMD, GOST & Other International Standards.

Our range of products has over the past years become synonymous with Brass Components & Accessories in the International markets of the Middle East, South East Asia, Australia, U.K., U.S.A., South Africa, Europe etc. We have been successfully exporting to 74 countries in the full range.

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

# We Are Committed To Customer Satisfaction

**We face that this is the right time to convert the opportunity into various business action by sharing our culture ideas, techniques & joining free hands towards growth success and innovation of new techniques.**

**We also welcome all business proposals all around the world for globe collaborations joint ventures subsidiary companies firms etc.**

**We are targeting Joint Venture's as a route for ISHITA's future growth in a major way. The general direction for Joint Venture's is as follows :**

**1.Tie-up for Technology**

**2.Marketing tie-up for the host country & foreign markets.**

**3.Financing arrangements through intermediation and rating upgradation using third party sources**

**We are also very keen on establishing a life time relationship with overseas companies by collaborations for transfer of technologies, setting up of manufacturing plants etc.**

**We also welcome any enquiries regarding Distributorship, Sole Selling Agents for selling our products in any particular Country. Interested Companies feel free to contact us.**

# Extrusion Tecnology

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

## Extrusion Rods, Tubes, Profile & Section.

- Raising the Bars of Standards in Brass Extrusion.
- Based in Jamnagar, Gujarat INDIA Ishita manufactures Quality Alloys Extrusion.
- An ISO 9001:2015 certified company plays home to over 1500+ customized shapes with in time delivery.
- Our Extrusion manufacturing unit is stretched over a vast area of 25000 sq.ft, which is equipped with requisite machines and hold the installed capacity of 1000+ tons extruded Rods, Tubes, Section & Profie per annum & has secured its plaace at the pinnacle, in the highly precision demanding arena of Brass Extrusion.
- Ishita is competent to manufacture a wide range of alloy in any shape & size, ranging from 1 mm to 110mm.
- Ishita has always embraced innovation & modernism, while keeping intact the originality of the values.
- Ishita has become a name that invokes an aura of assurance in the Brass Extrusion Industries.
- Ishita takes pride not only in their manufacturing process but also in safe & convenient delivery to anywhere across the globe.

## PACKING FACILITY

# Brass Extrusion Rods

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

- Metal rods are metals and alloys designed in the pattern of round bar or rod, rectangular or flat bar, square bar, hexagon and other patterns of bar stock.
- Ishita offer a variety of dia. A/F, thicknesses and widths according to customer specific requirements. We have more than 100+ sizes of rods & bars developed till date.We offer fast delivery and our professional sales team is ready to assist with customers specific material needs.We supply across the globe.
- Ishita is serving the length ranging from 1.5 feet to 16 feet. We also offer cutting as per customers specification.
- Below is the shape wise size range of brass rods & bars products that Ishita can serve. All of these sizes comes in a variety of dimensions a. in either Matric or Imperial.

| | | |
|---|---|---|
| **SHAPE : ROUND** | Matric (mm) | Dia 1 mm to 75mm |
| **SHAPE : HEXAGON** | Matric (mm) | A/F 4 mm to 75mm |
| **SHAPE : SQUARE** | Matric (mm) | A/F 4 mm to 75mm |
| **SHAPE : RECTANGLE** | Matric (mm) | Thickness 3 to 50mm<br>Width – 3 to 70mm |

# Hollow Rods

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

- In designing a component, it is very essential to take the production costs into consideration to keep it as low as possible while maintaining the quality.
- A metal rod and  bar that is hollow and tubular cross section. Circular hollow have very efficient shapes for this multiple-axis loading as they have uniform geometry along two or more cross-sectional axes, & thus uniform strength characteristics. Brass hollow rods offers significant economic advantages by way of removing the need for drilling operations and very often the boring out of the parts. Numerous applications and in particular for making of and valves (plumbing-healing industry).
- Ishita offer a various sizes of hollow according to customer's specifications. We have more than 200 sizes of hollow developed till date. We offer fart delivery and our professional sales team is ready to assist you with your material needs. We offer fast delivery and our professional sales team is ready to assist with customers material needs. We supply across the globe.
- Ishita is serving the length ranging from 1.5 feet to 12 feet. We also offer cutting as per customer's specification.
- Below are the size range of brass hollow products that Ishita can serve. All of these sizes comes in a variety of dimensions and in either Matric or Imperial.

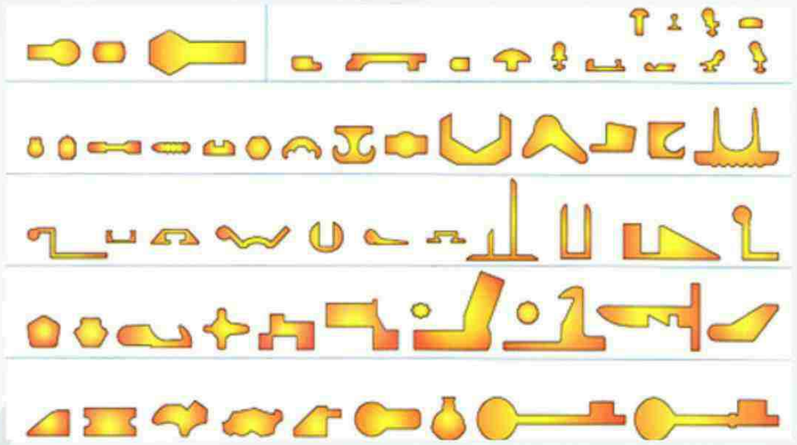

| | | |
|---|---|---|
| **SHAPE : ROUND** | Matric (mm) | OD 25 to 80<br>ID 17 to 70 |
| **SHAPE : HEXAGON** | Matric (mm) | AF 25 to 70<br>ID 14 to 60 |
| **SHAPE : SQUARE** | Matric (mm) | AF 25 to 60<br>ID 14 to 50 |

# Brass Section & Profile

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

- Brass Extrusion Section can have different irregular shapes with different heights and different thickness.
- Engineering industries can use them for a huge variety of component. From brass profile, to individually designed.
- Ishita manufactures a wide range of Brass Profile and sections catering to the need of customers from simple to complex shapes depending upon the feasibility.
- Ishita has a variety of customized sections/profiles according to customers specifications. We have more than 200+ different sections/profiles developed till date.
- We offer fast delivery and our professional sales team is ready to assist with customers specific material & Specification needs.
- We supply to across the globe.

# Broach & Milling Parts

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Broach Broach

Milling Parts

**We, Ishita Manufacturer & Exporter Of Highly Precision Brass Broach & Milling Parts**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# BS 746 Fitting LPG Regulator & Meter Parts

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

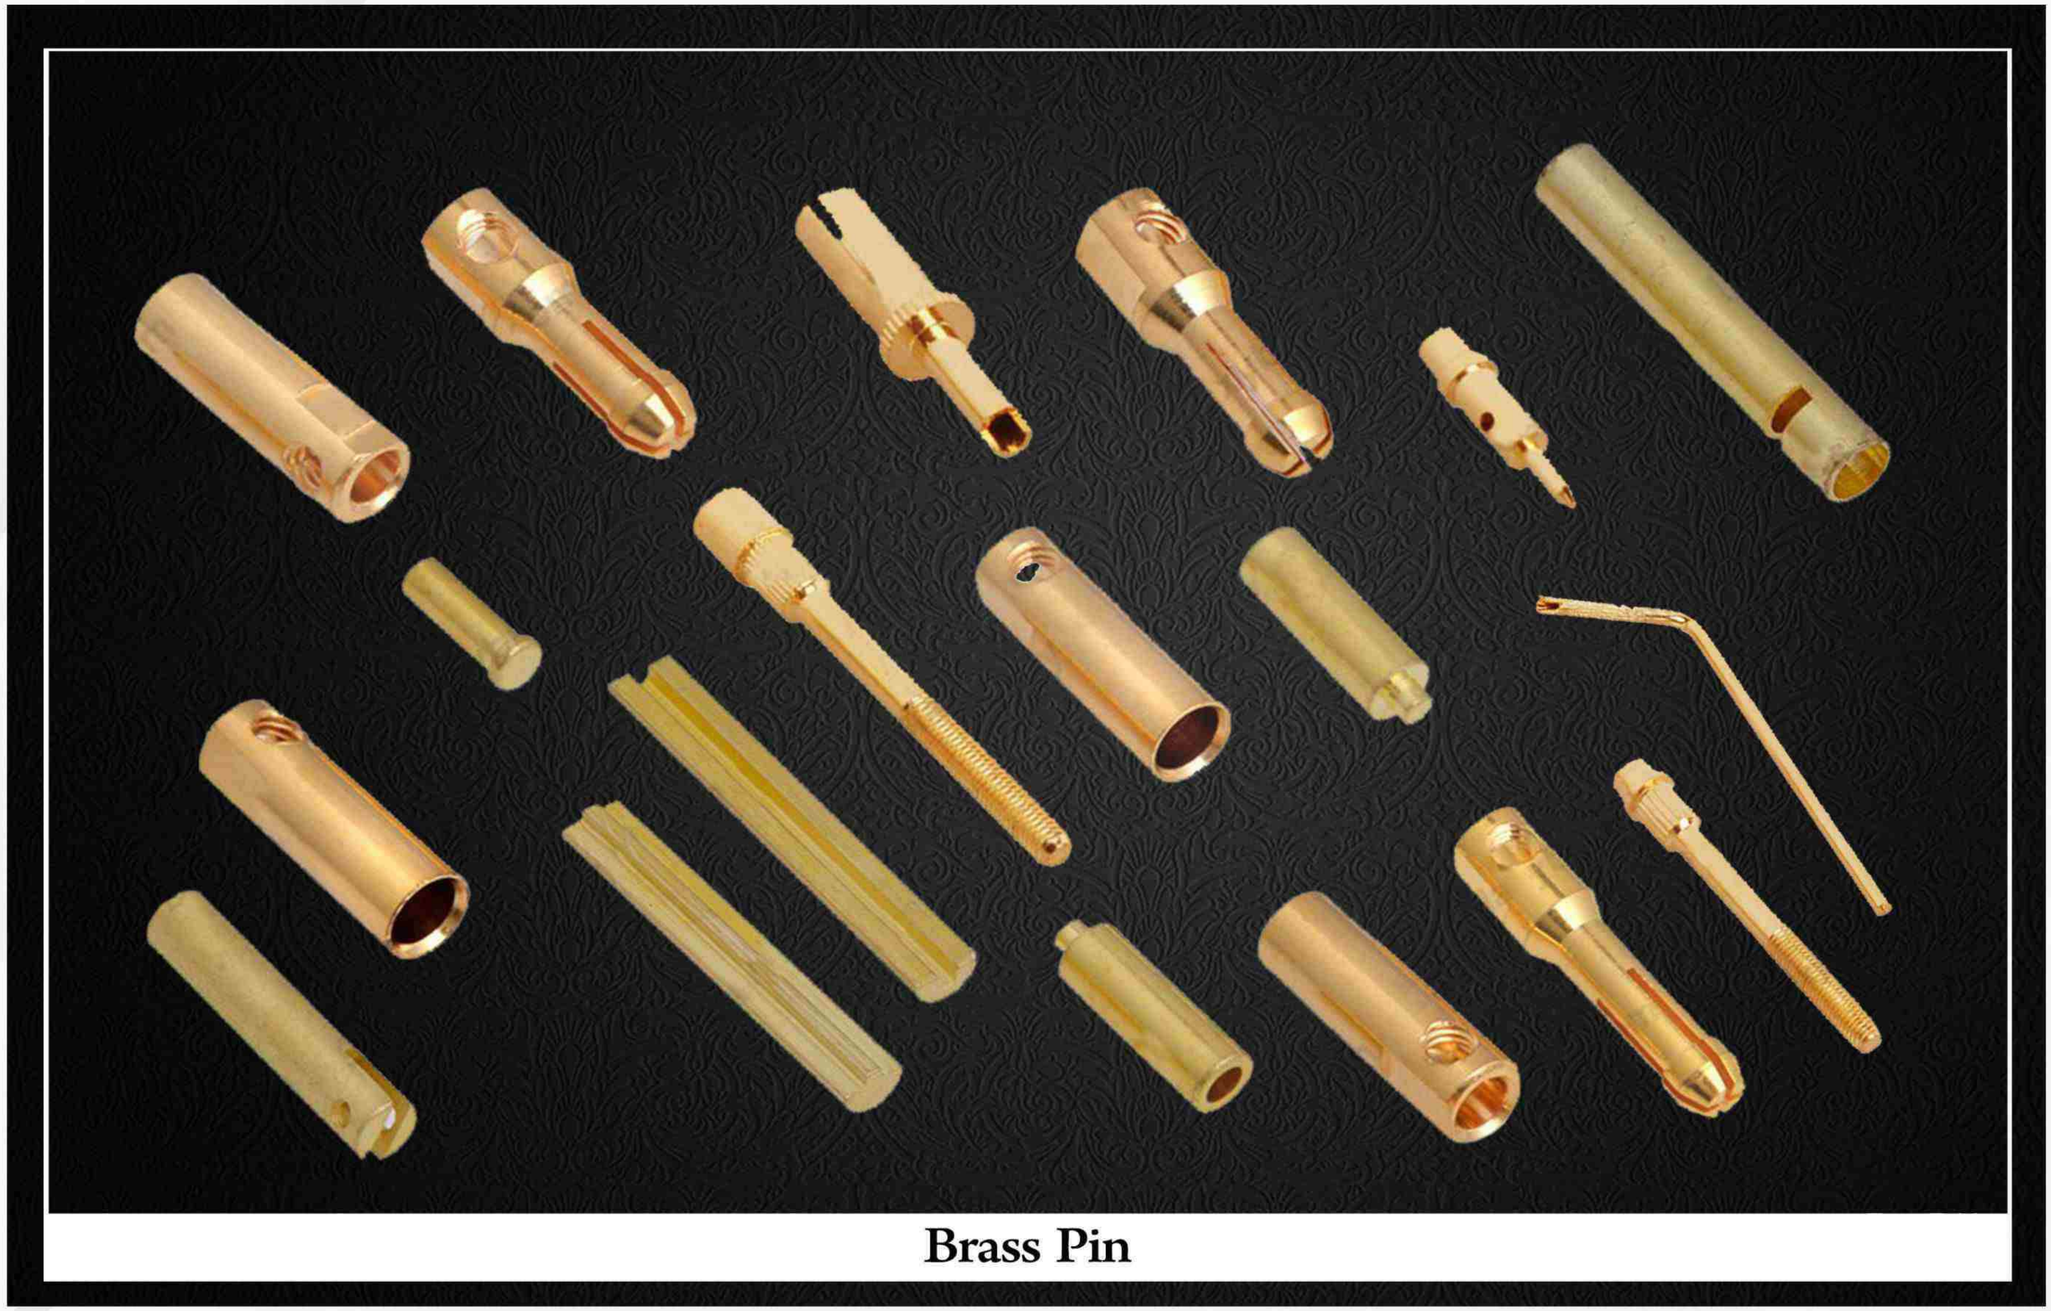

BS 746 Fitting LPG Regulator & Meter Parts (Gas Parts)

**We, Ishita Manufacturer & Exporter Of Highly Precision BS 746 Fitting LPG Regulator & Meter Parts Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Brass Pin

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Brass Pin

**We, Ishita Manufacturer & Exporter Of Highly Precision Brass Pin**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Fasteners

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

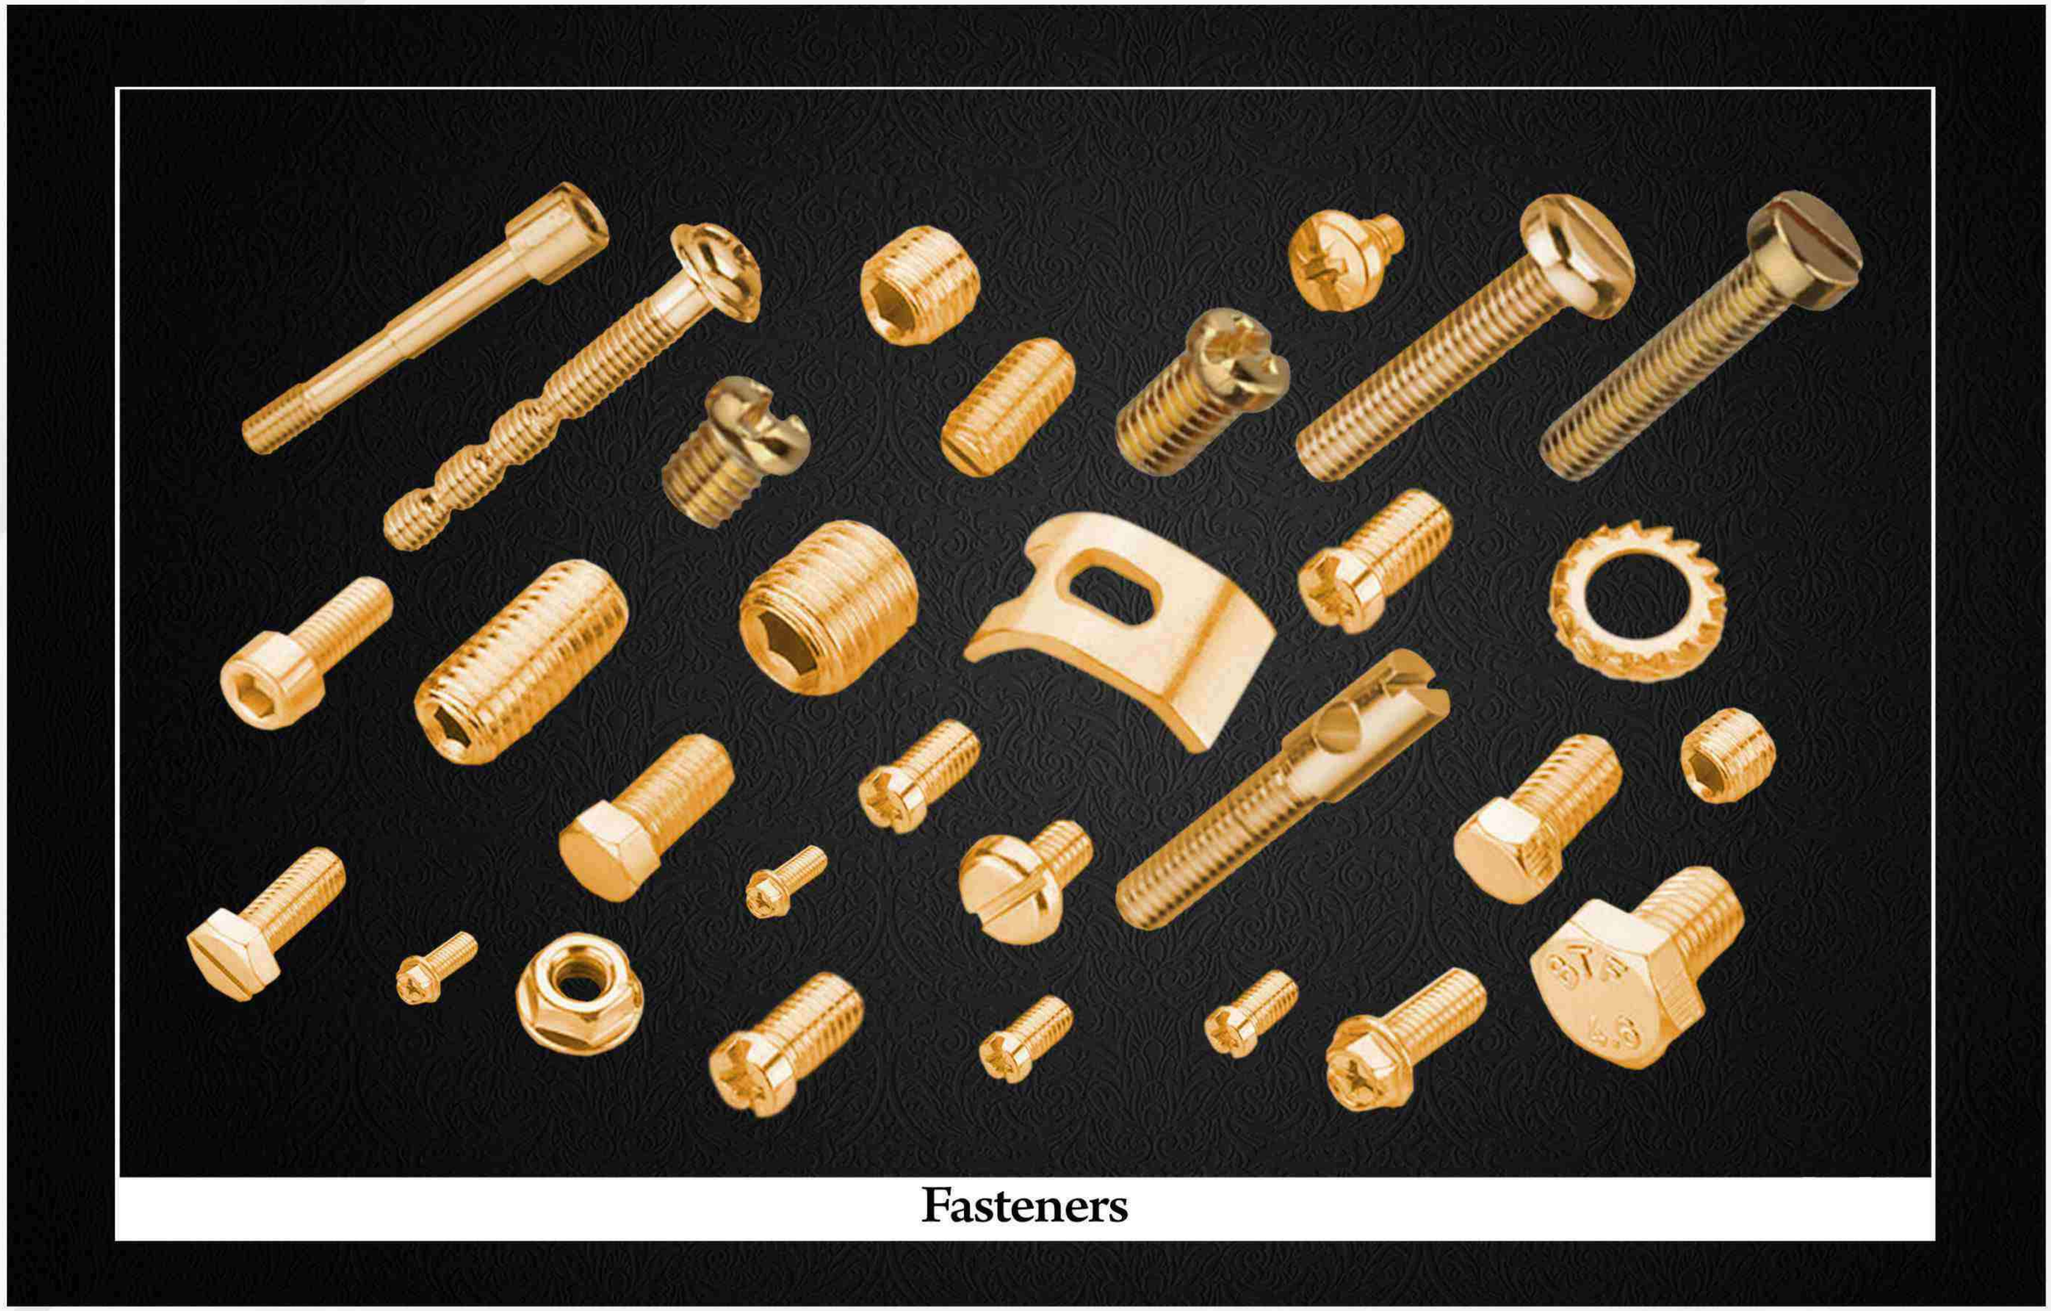

**We, Ishita Manufacturer & Exporter Of Highly Precision Fasteners**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Fasteners

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Fasteners

**We, Ishita Manufacturer & Exporter Of Highly Precision Fasteners**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Copper Parts

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Copper Parts

**We, Ishita Manufacturer & Exporter Of Highly Precision Copper Parts**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Fuel Dispenser & HVAC Component

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Fuel Dispenser Conecttors

HVAC Components

**We, Ishita Manufacturer & Exporter Of Highly Precision Fuel Dispenser & HVAC Component Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Welding Accessories & Solenoid Valve Parts

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Welding Accessories

Solenoid Valve Parts

**We, Ishita Manufacturer & Exporter Of Highly Precision Welding Accessories & Solenoid Valve Parts Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Cnc Parts

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

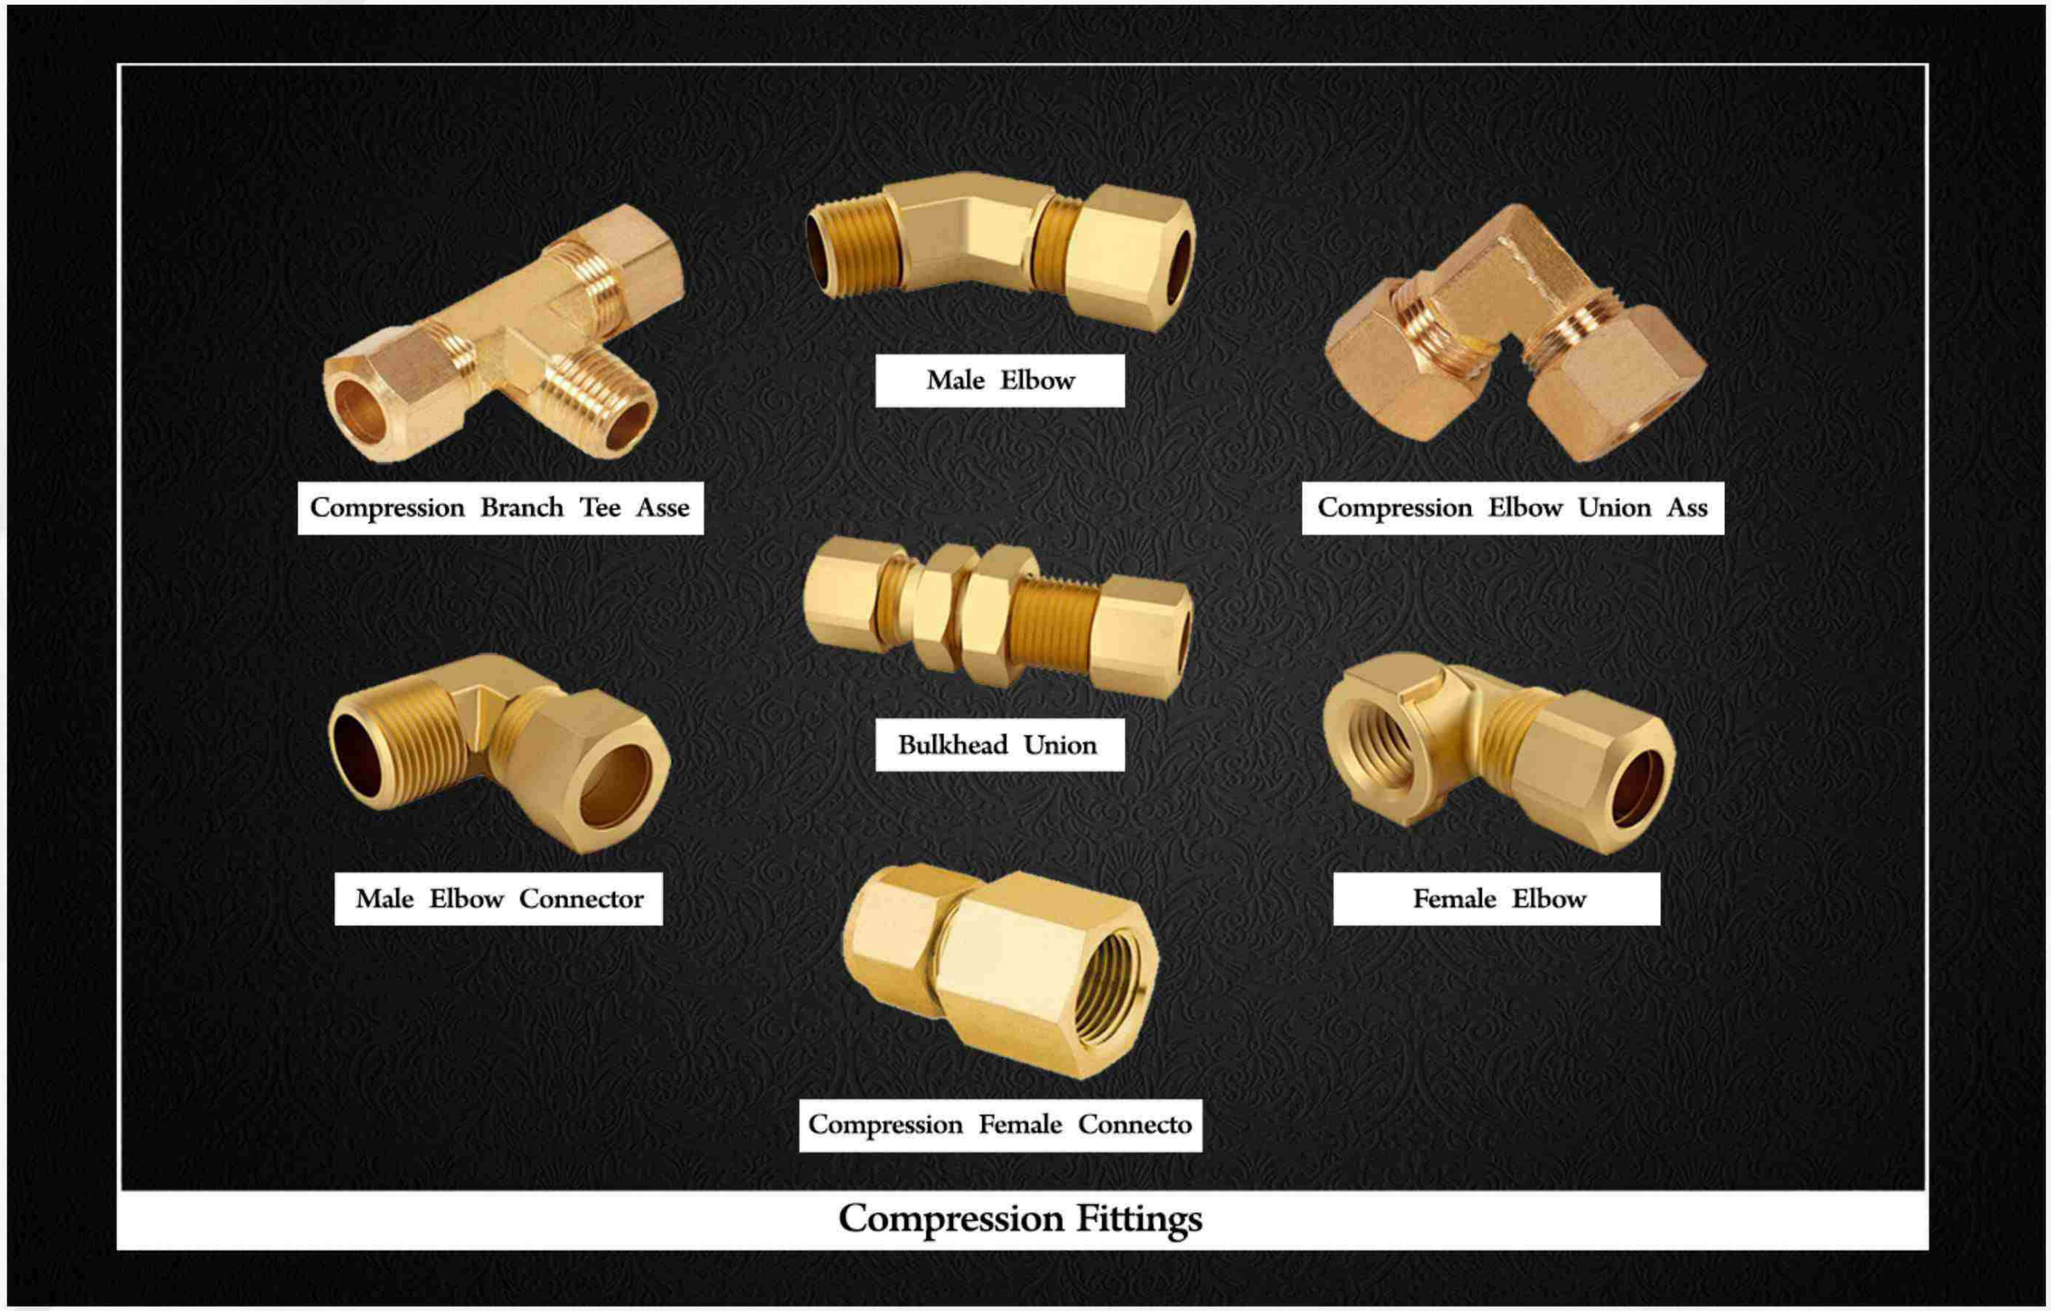

CNC Parts

**We, Ishita Manufacturer & Exporter Of Highly Precision CNC Parts**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Compression Fittings

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

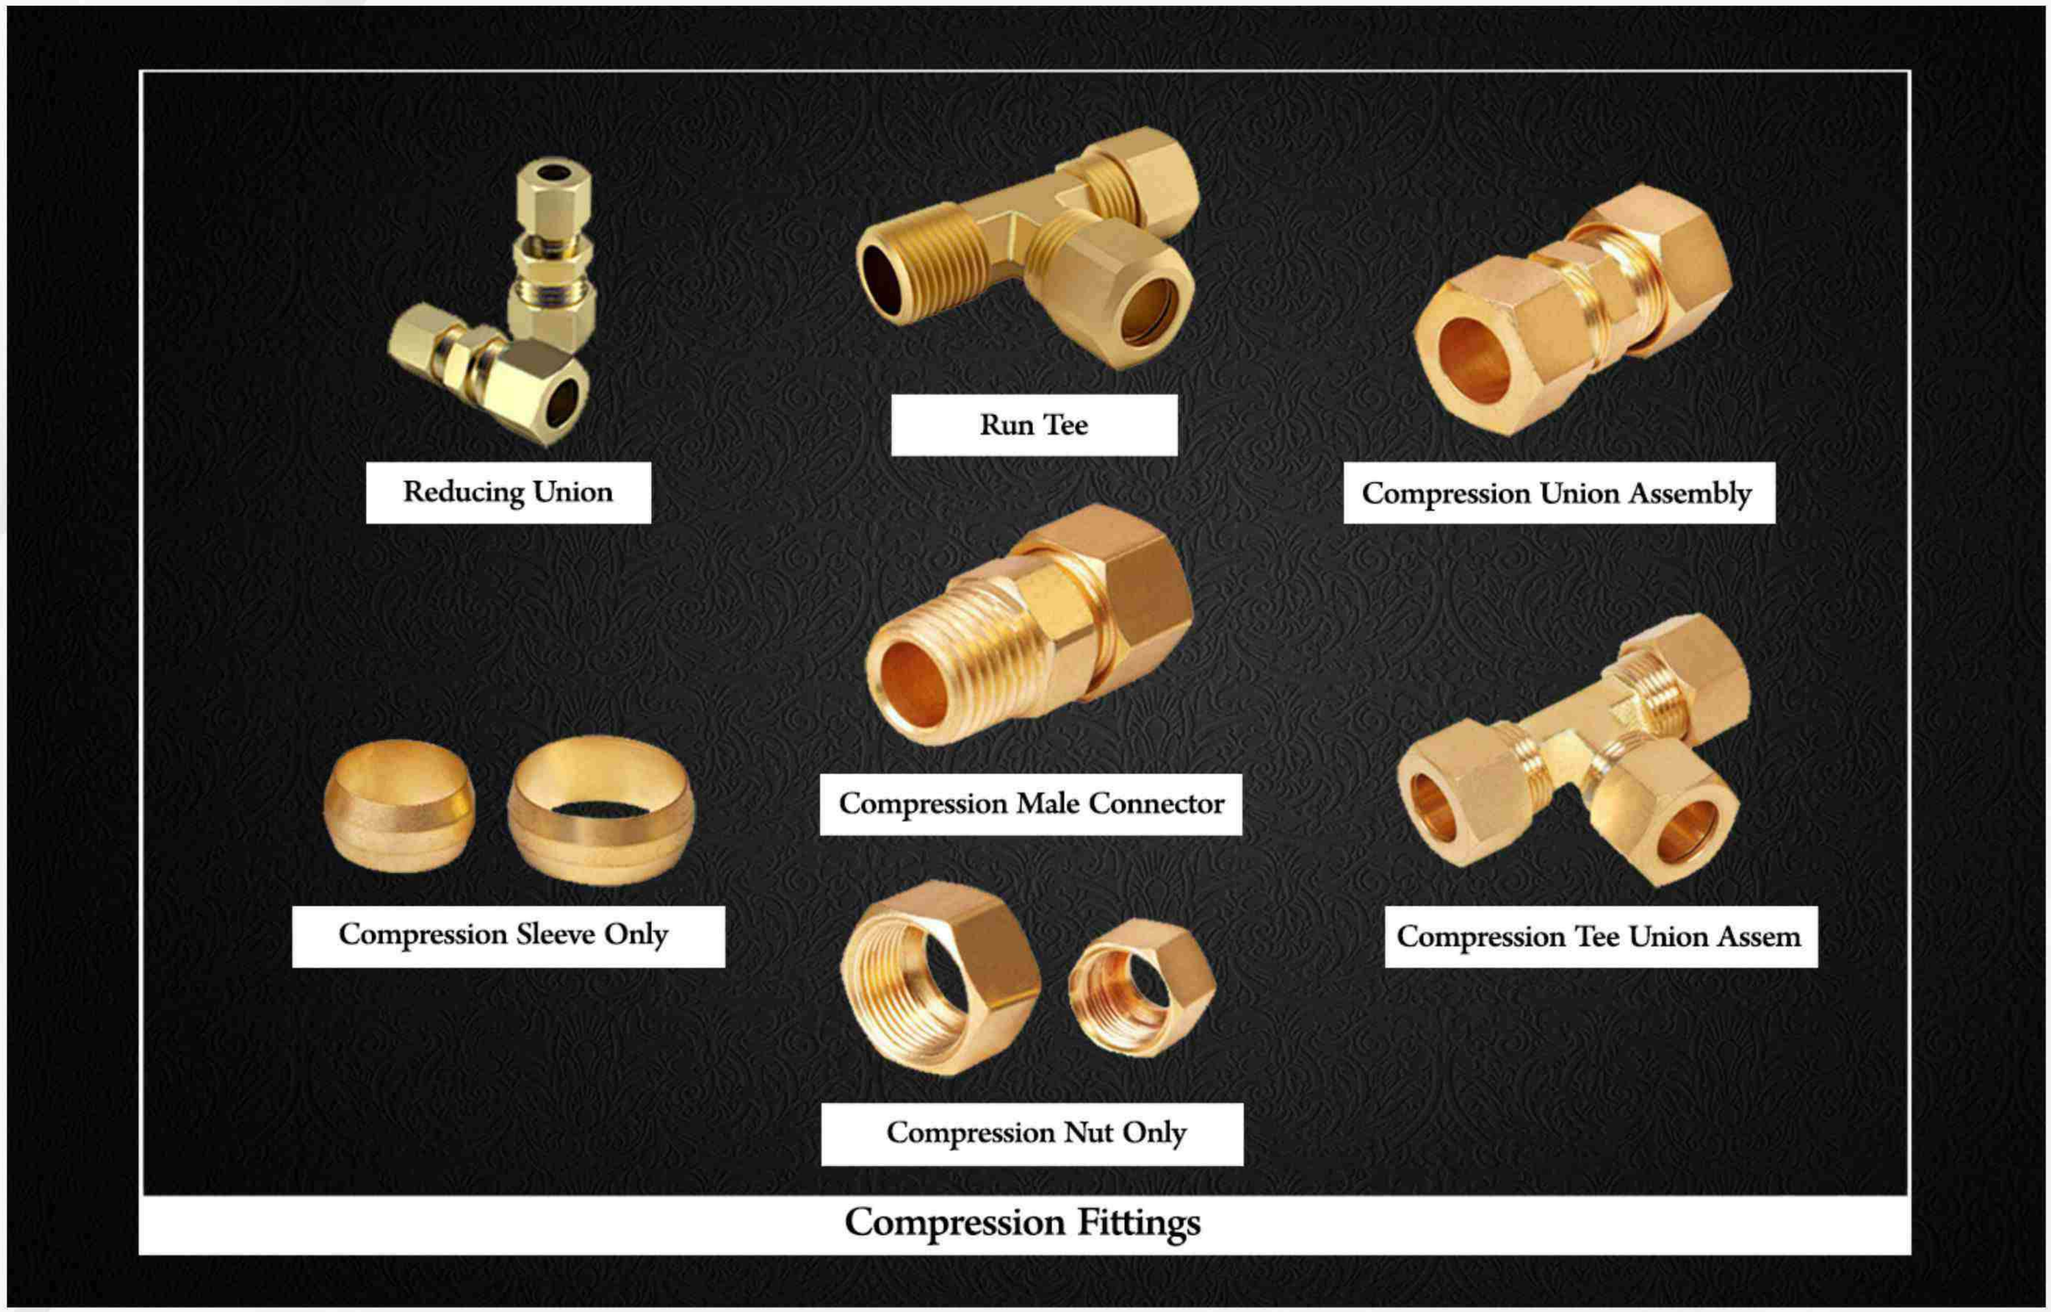

Compression Fittings

**We, Ishita Manufacturer & Exporter Of Highly Precision Compression Fittings**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Compression Fittings

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

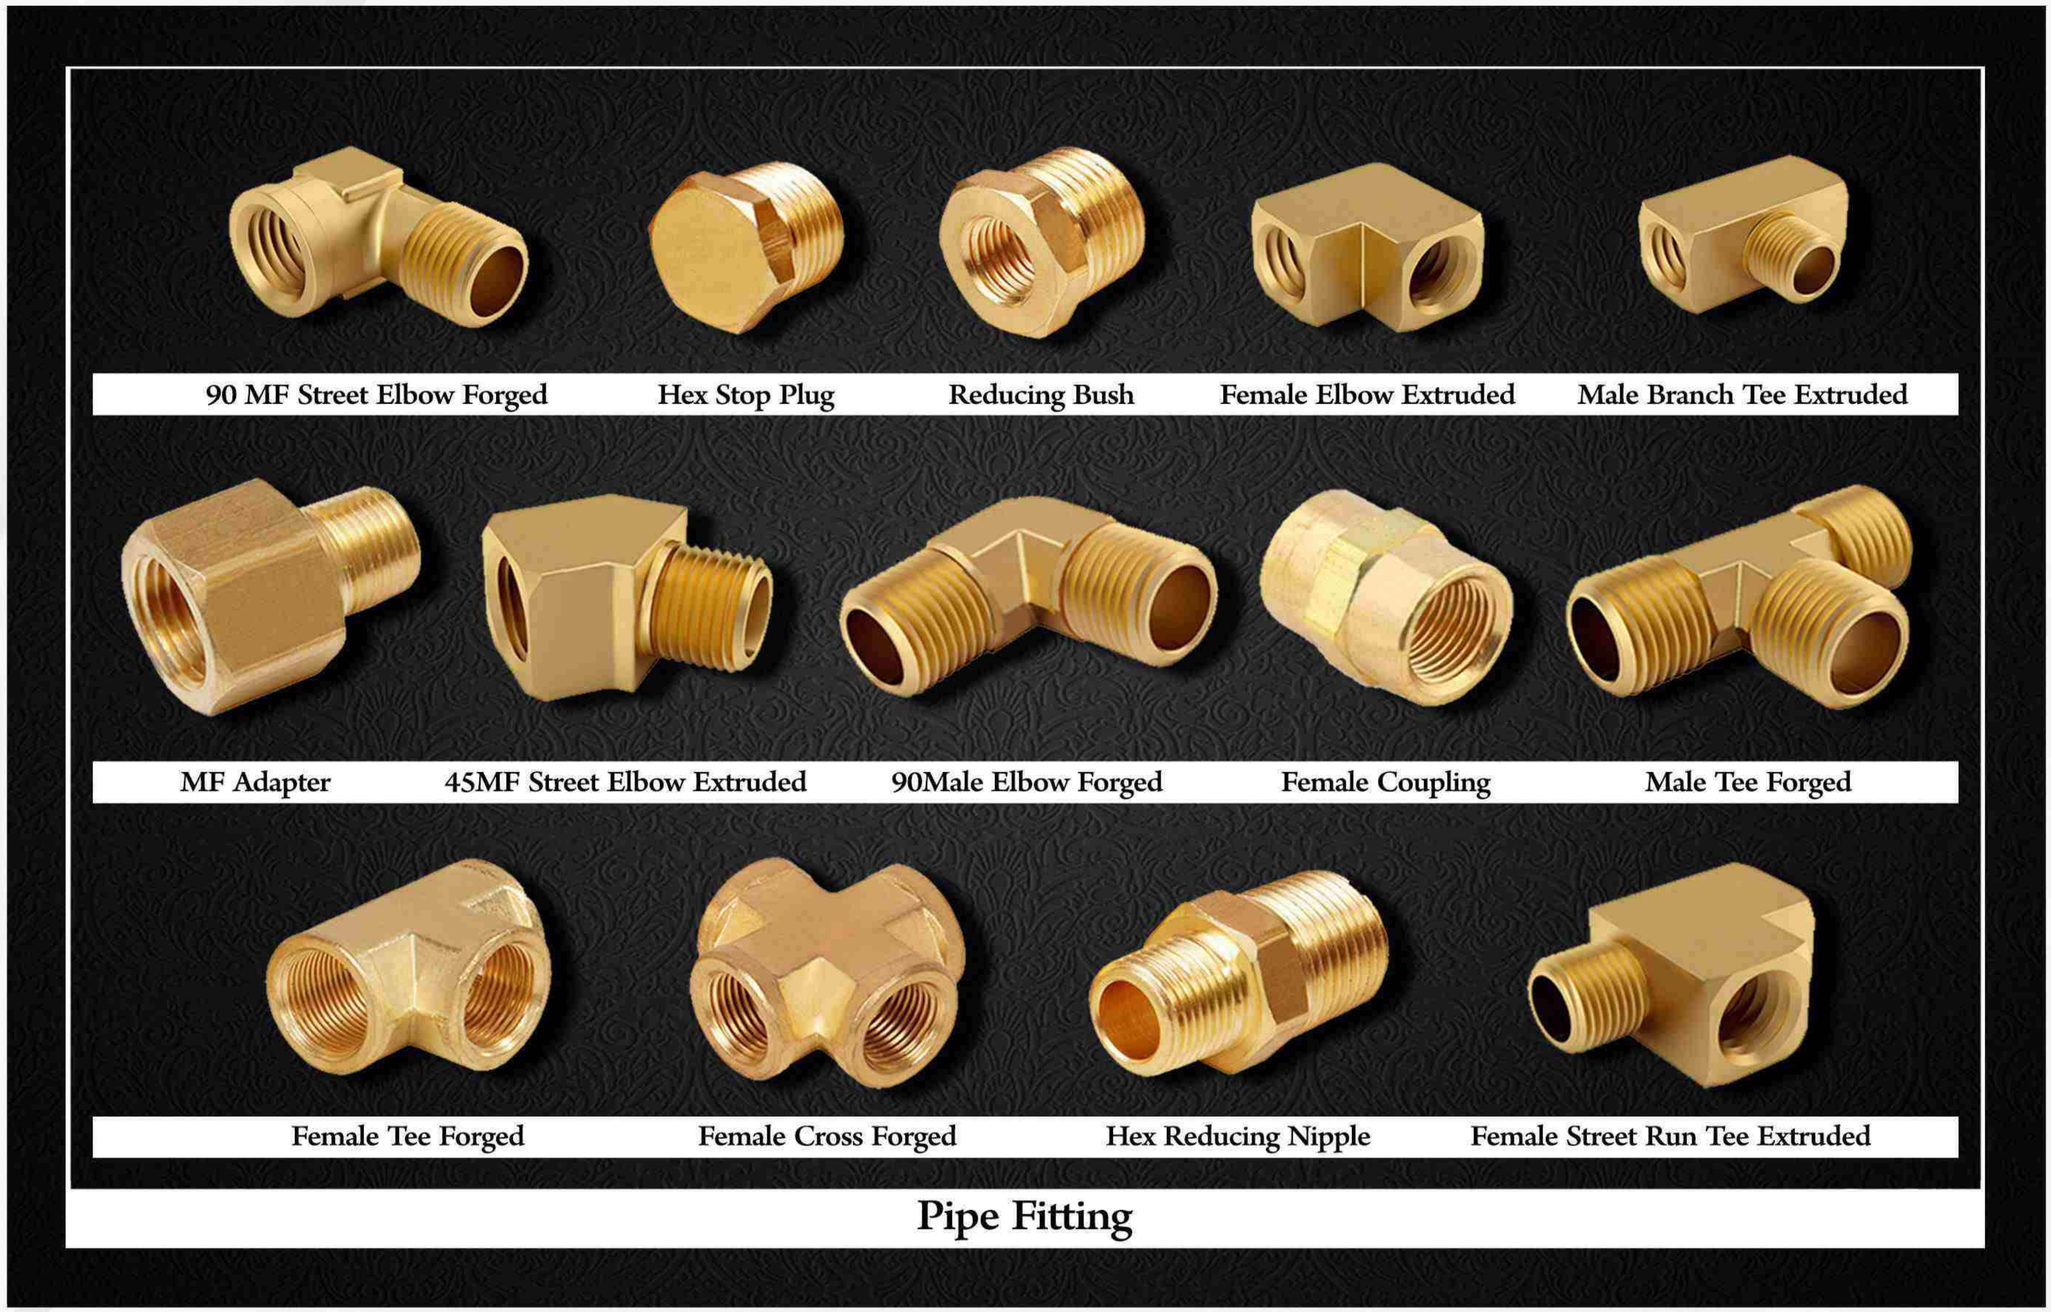

Compression Fittings

**We, Ishita Manufacturer & Exporter Of Highly Precision Compression Fittings Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Pipe Fitting

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

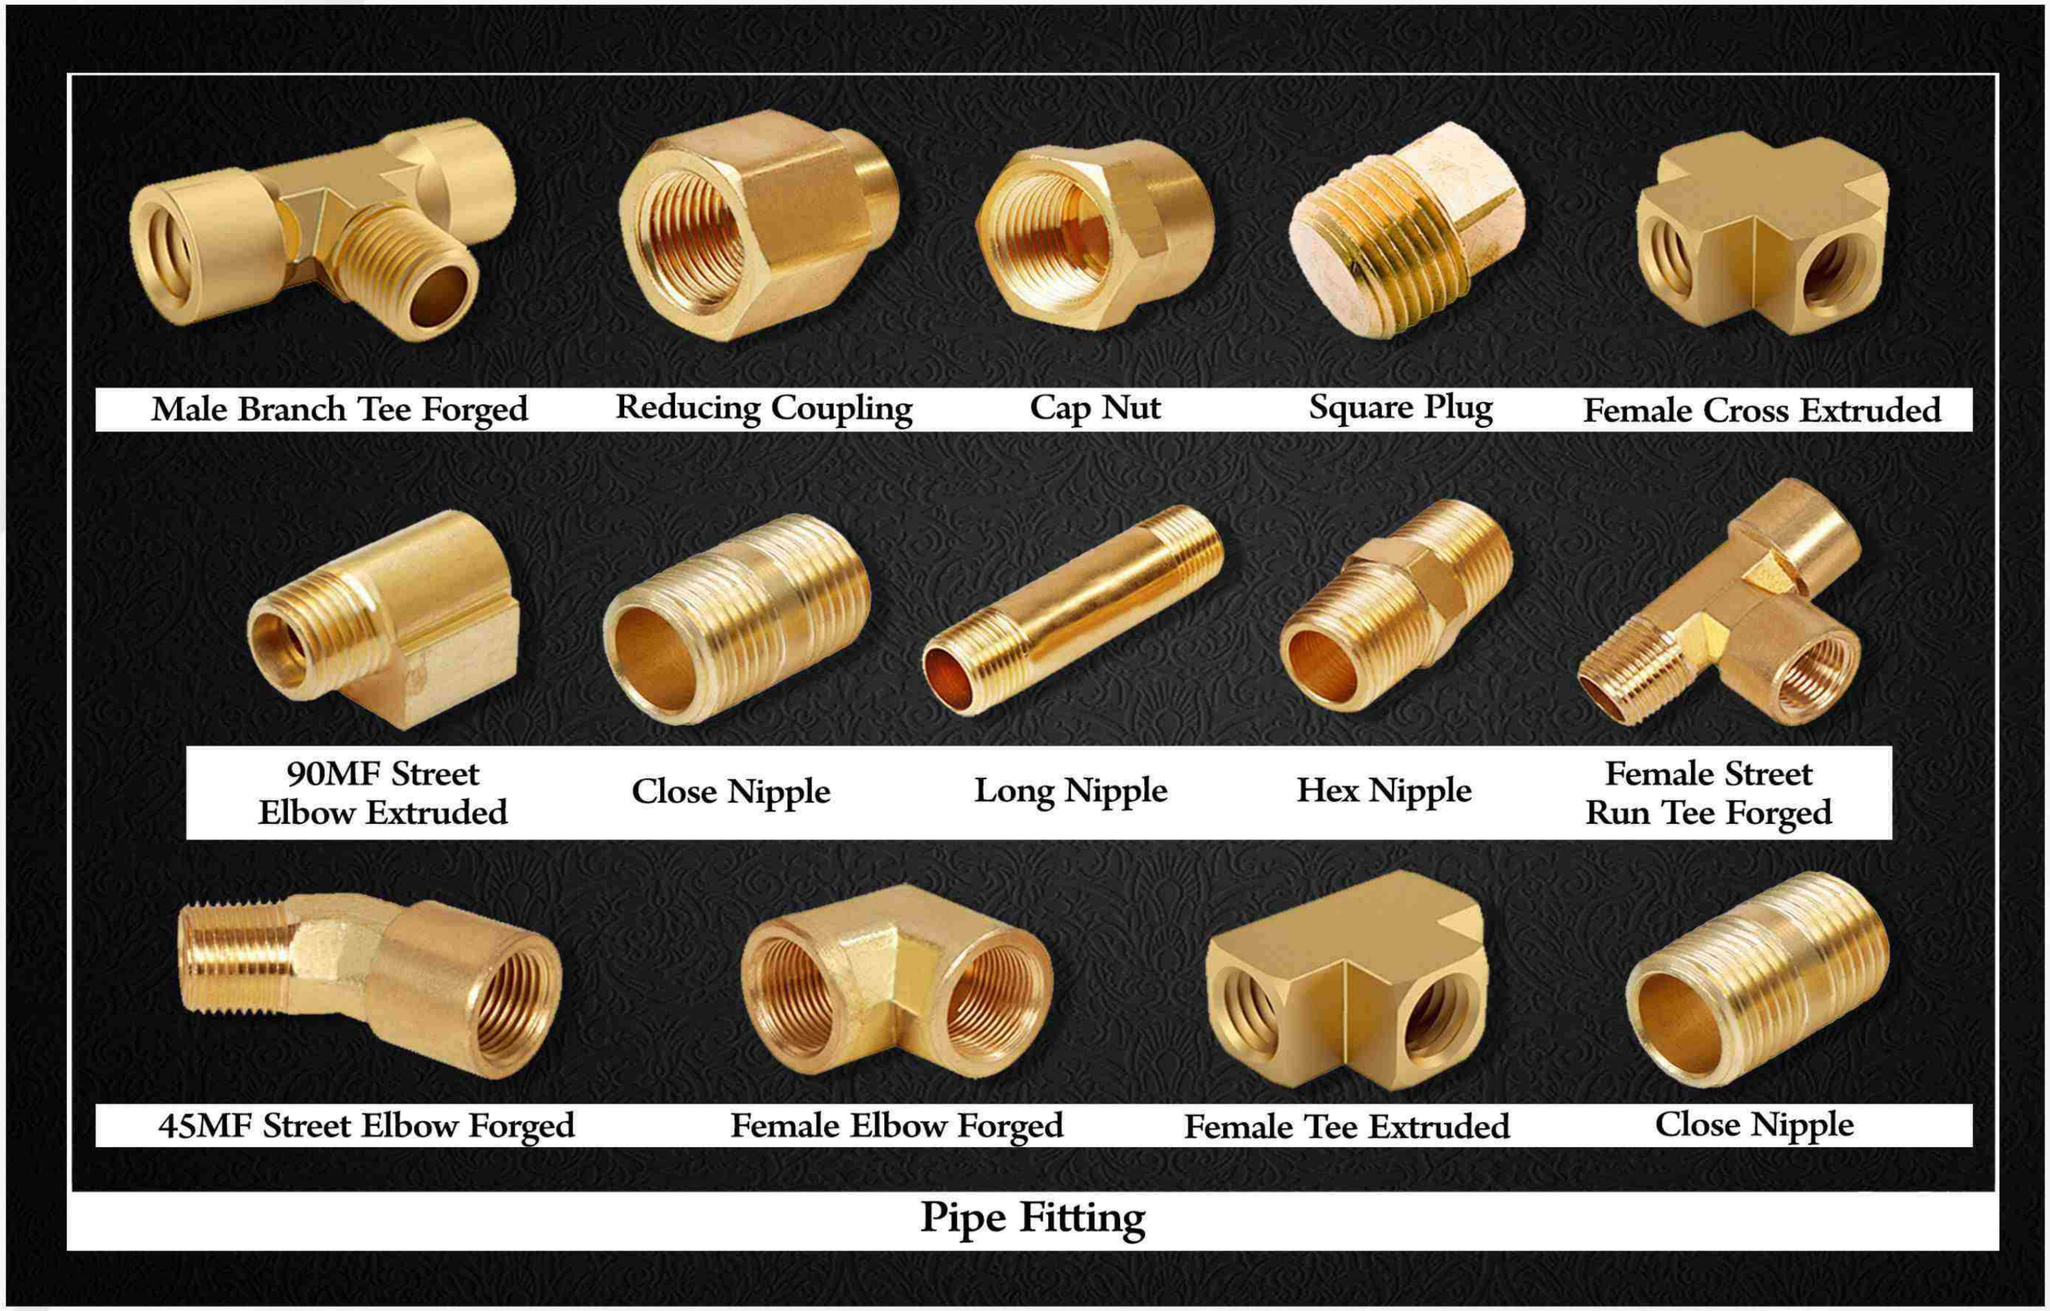

Pipe Fitting

**We, Ishita Manufacturer & Exporter Of Highly Precision Pipe Fitting**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Pipe Fitting

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

Pipe Fitting

**We, Ishita Manufacturer & Exporter Of Highly Precision Pipe Fitting**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Air Break Hose Ends

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

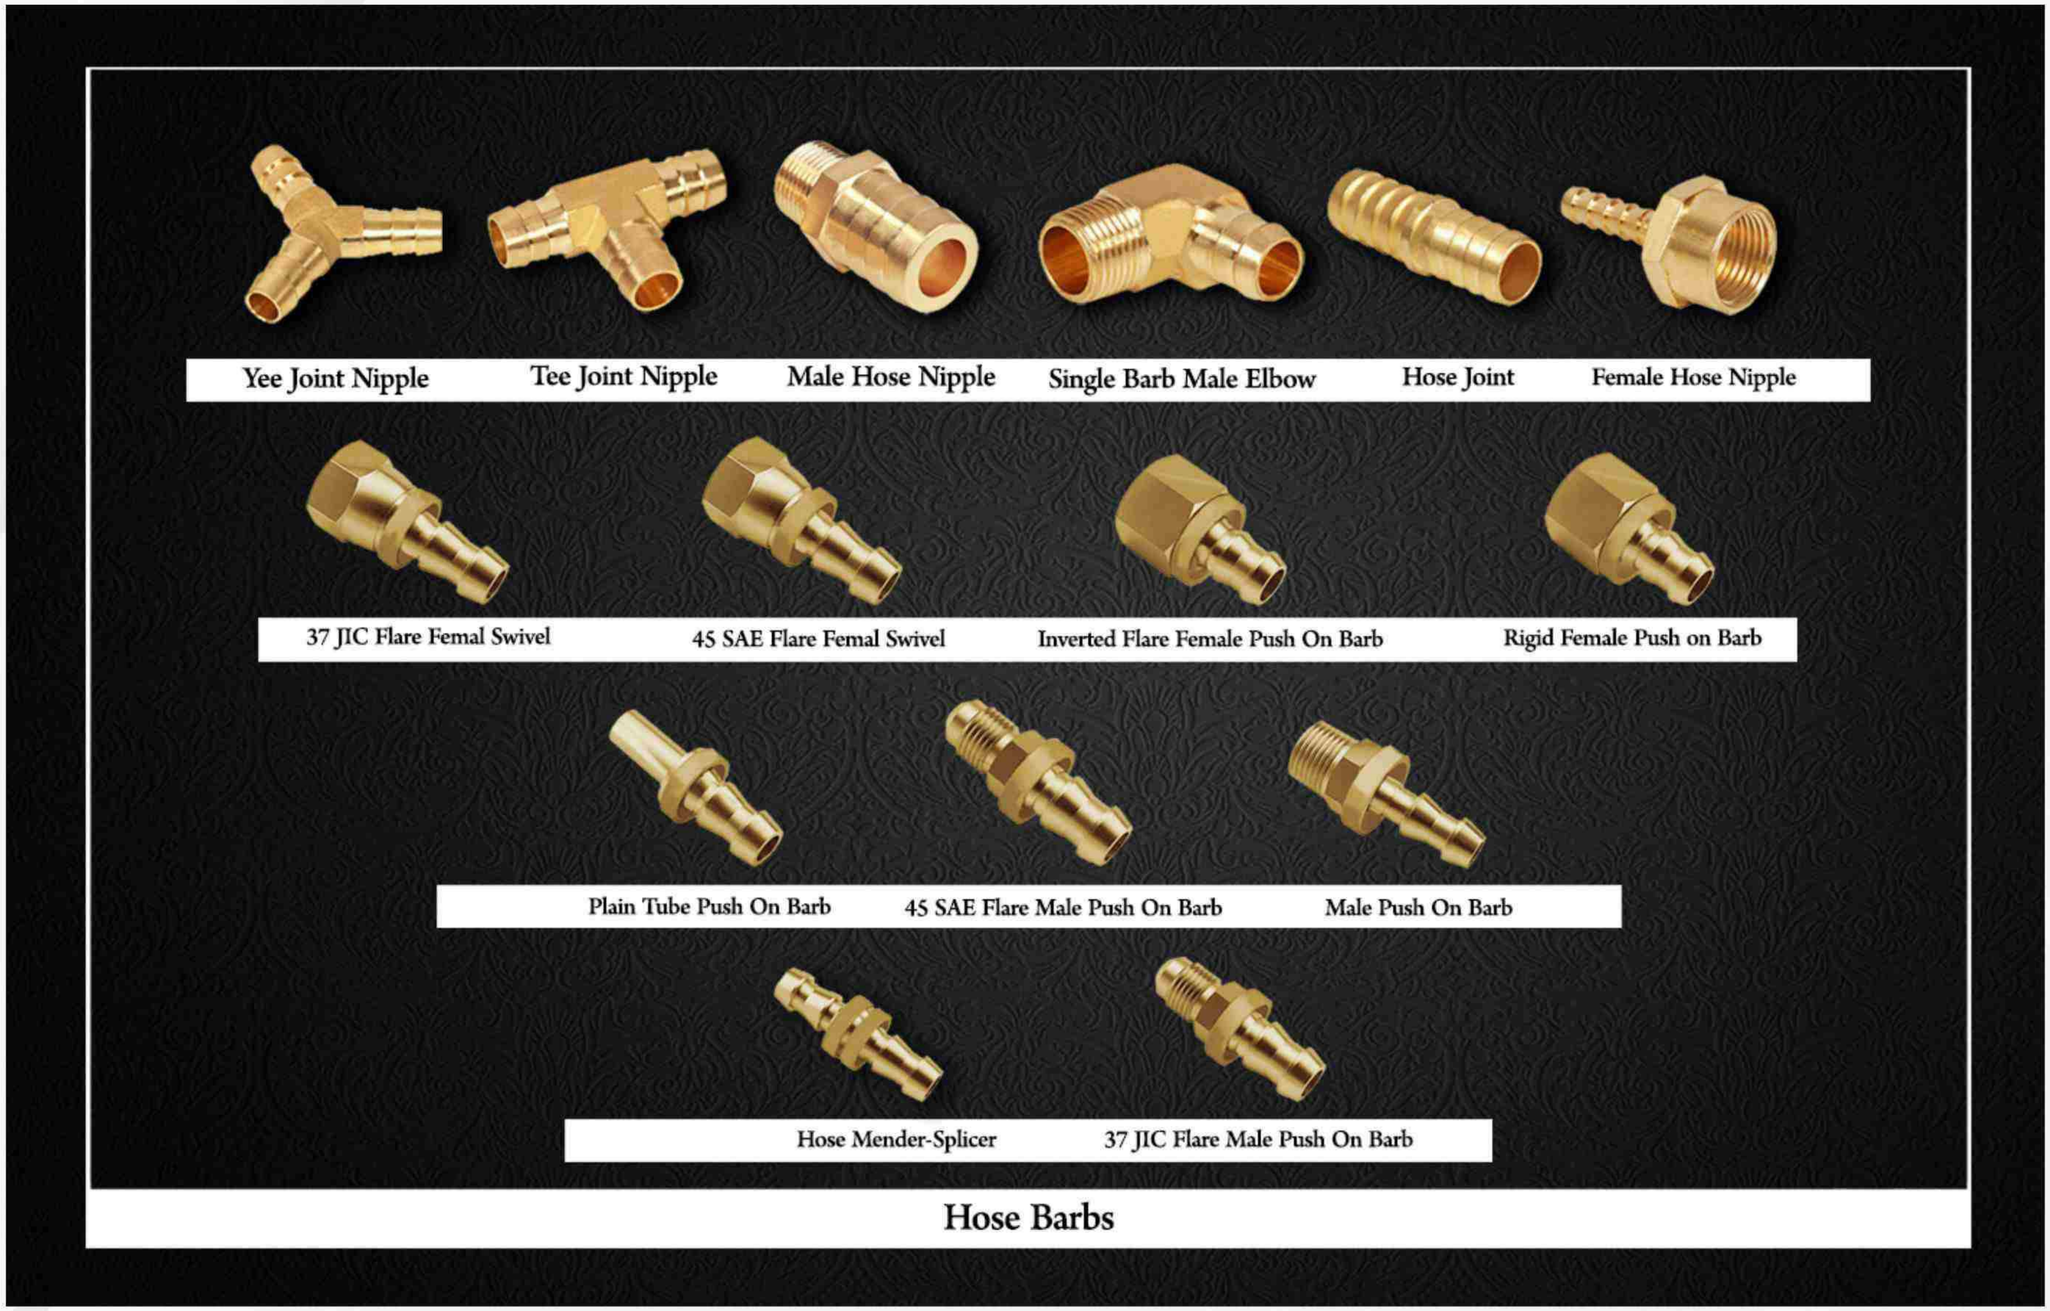

Air Break Hose Ends

**We, Ishita Manufacturer & Exporter Of Highly Precision Air Break Hose Ends**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Hose Barbs

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

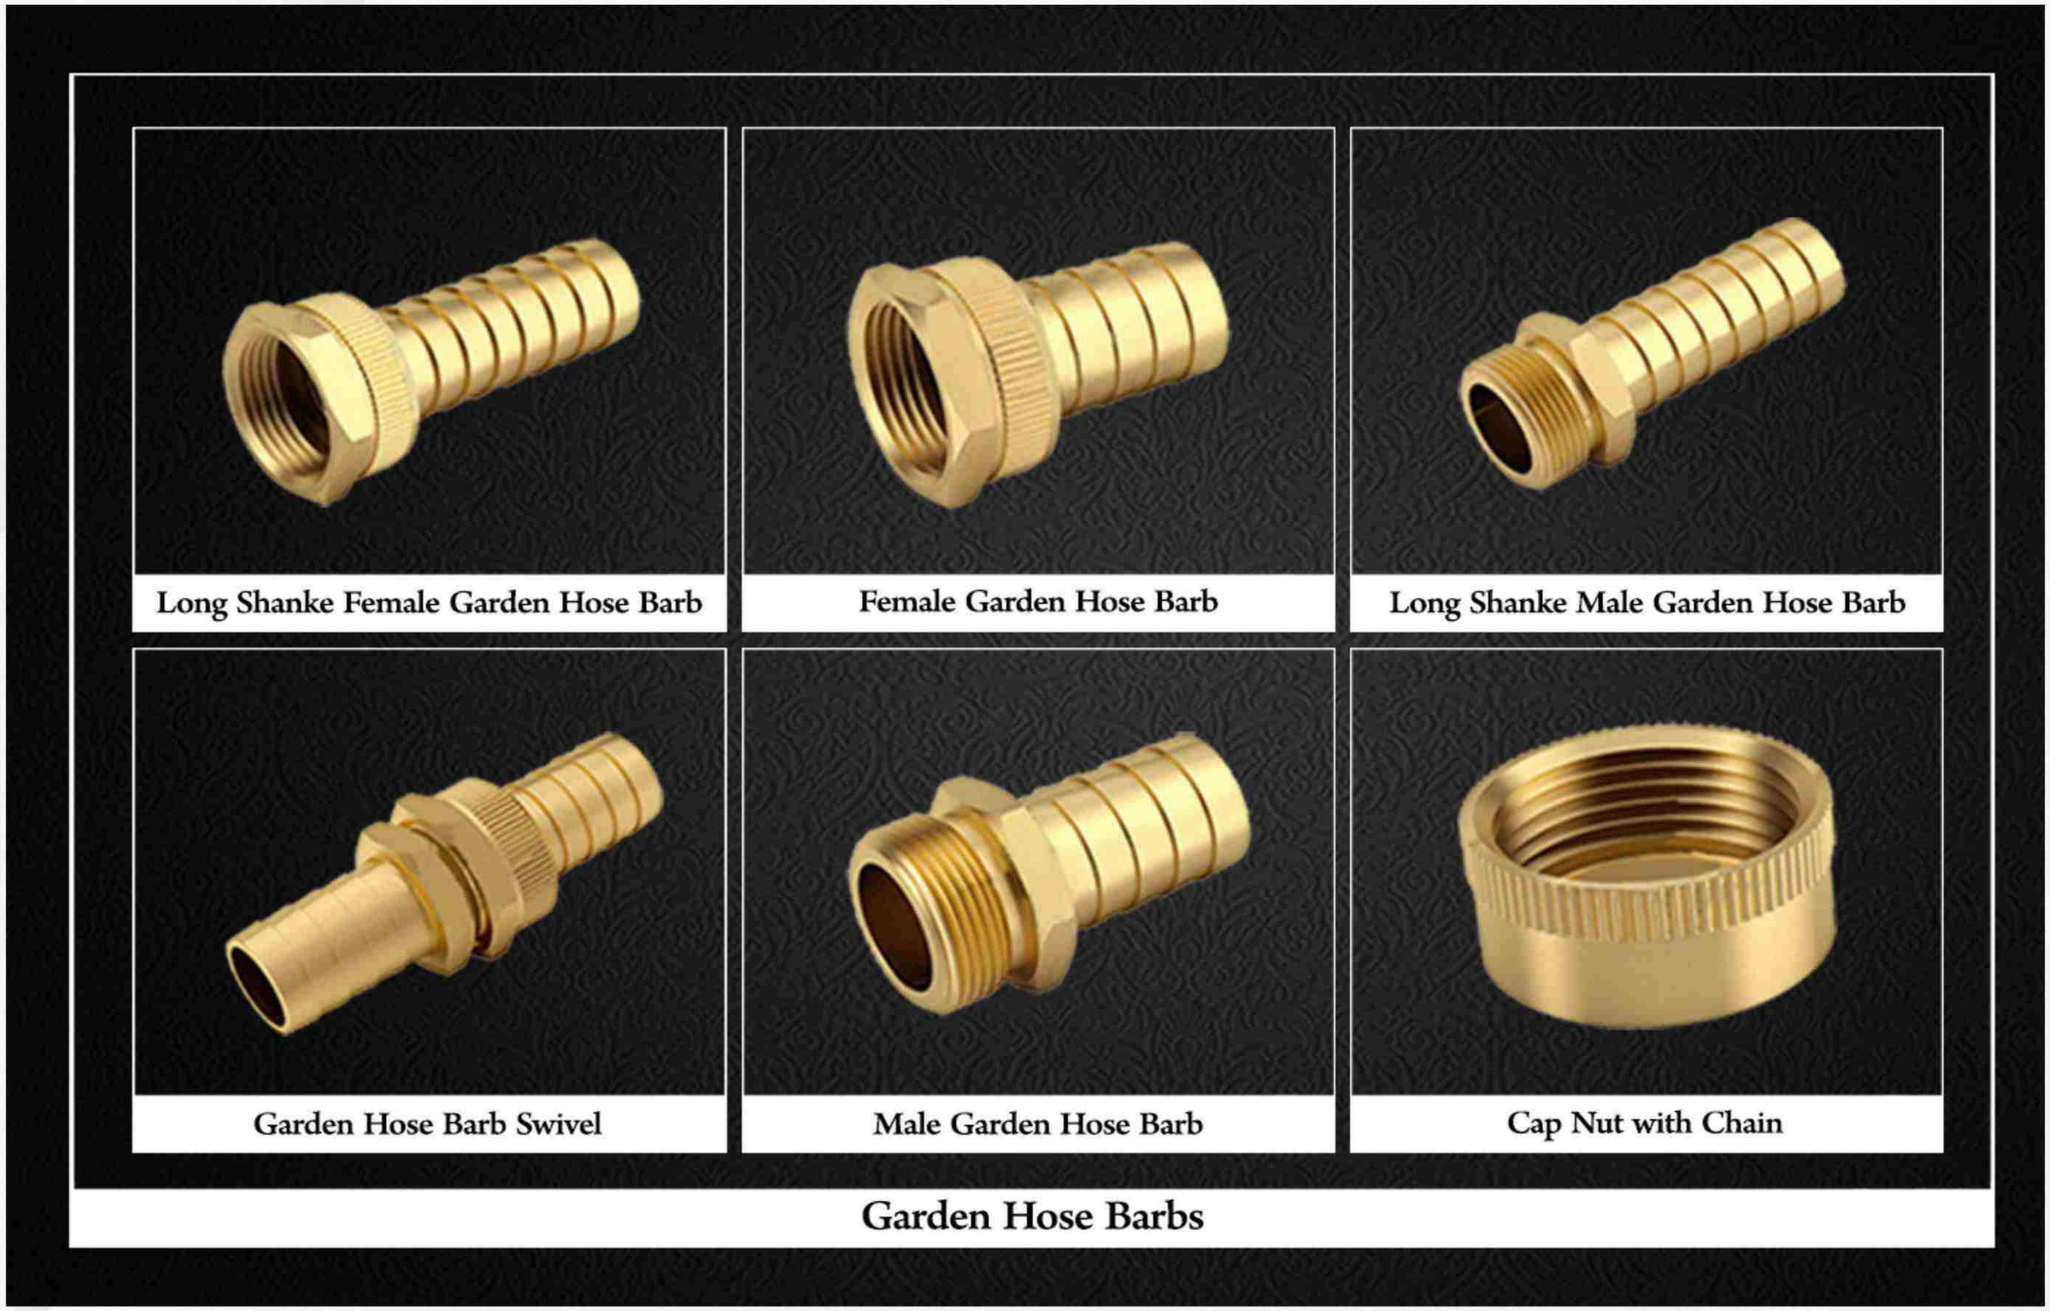

Hose Barbs

**We, Ishita Manufacturer & Exporter Of Highly Precision Hose Barbs**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Garden Hose Barbs

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

**We, Ishita Manufacturer & Exporter Of Highly Precision Garden Hose Barbs**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Garden Hose Barbs

Ishita Industries

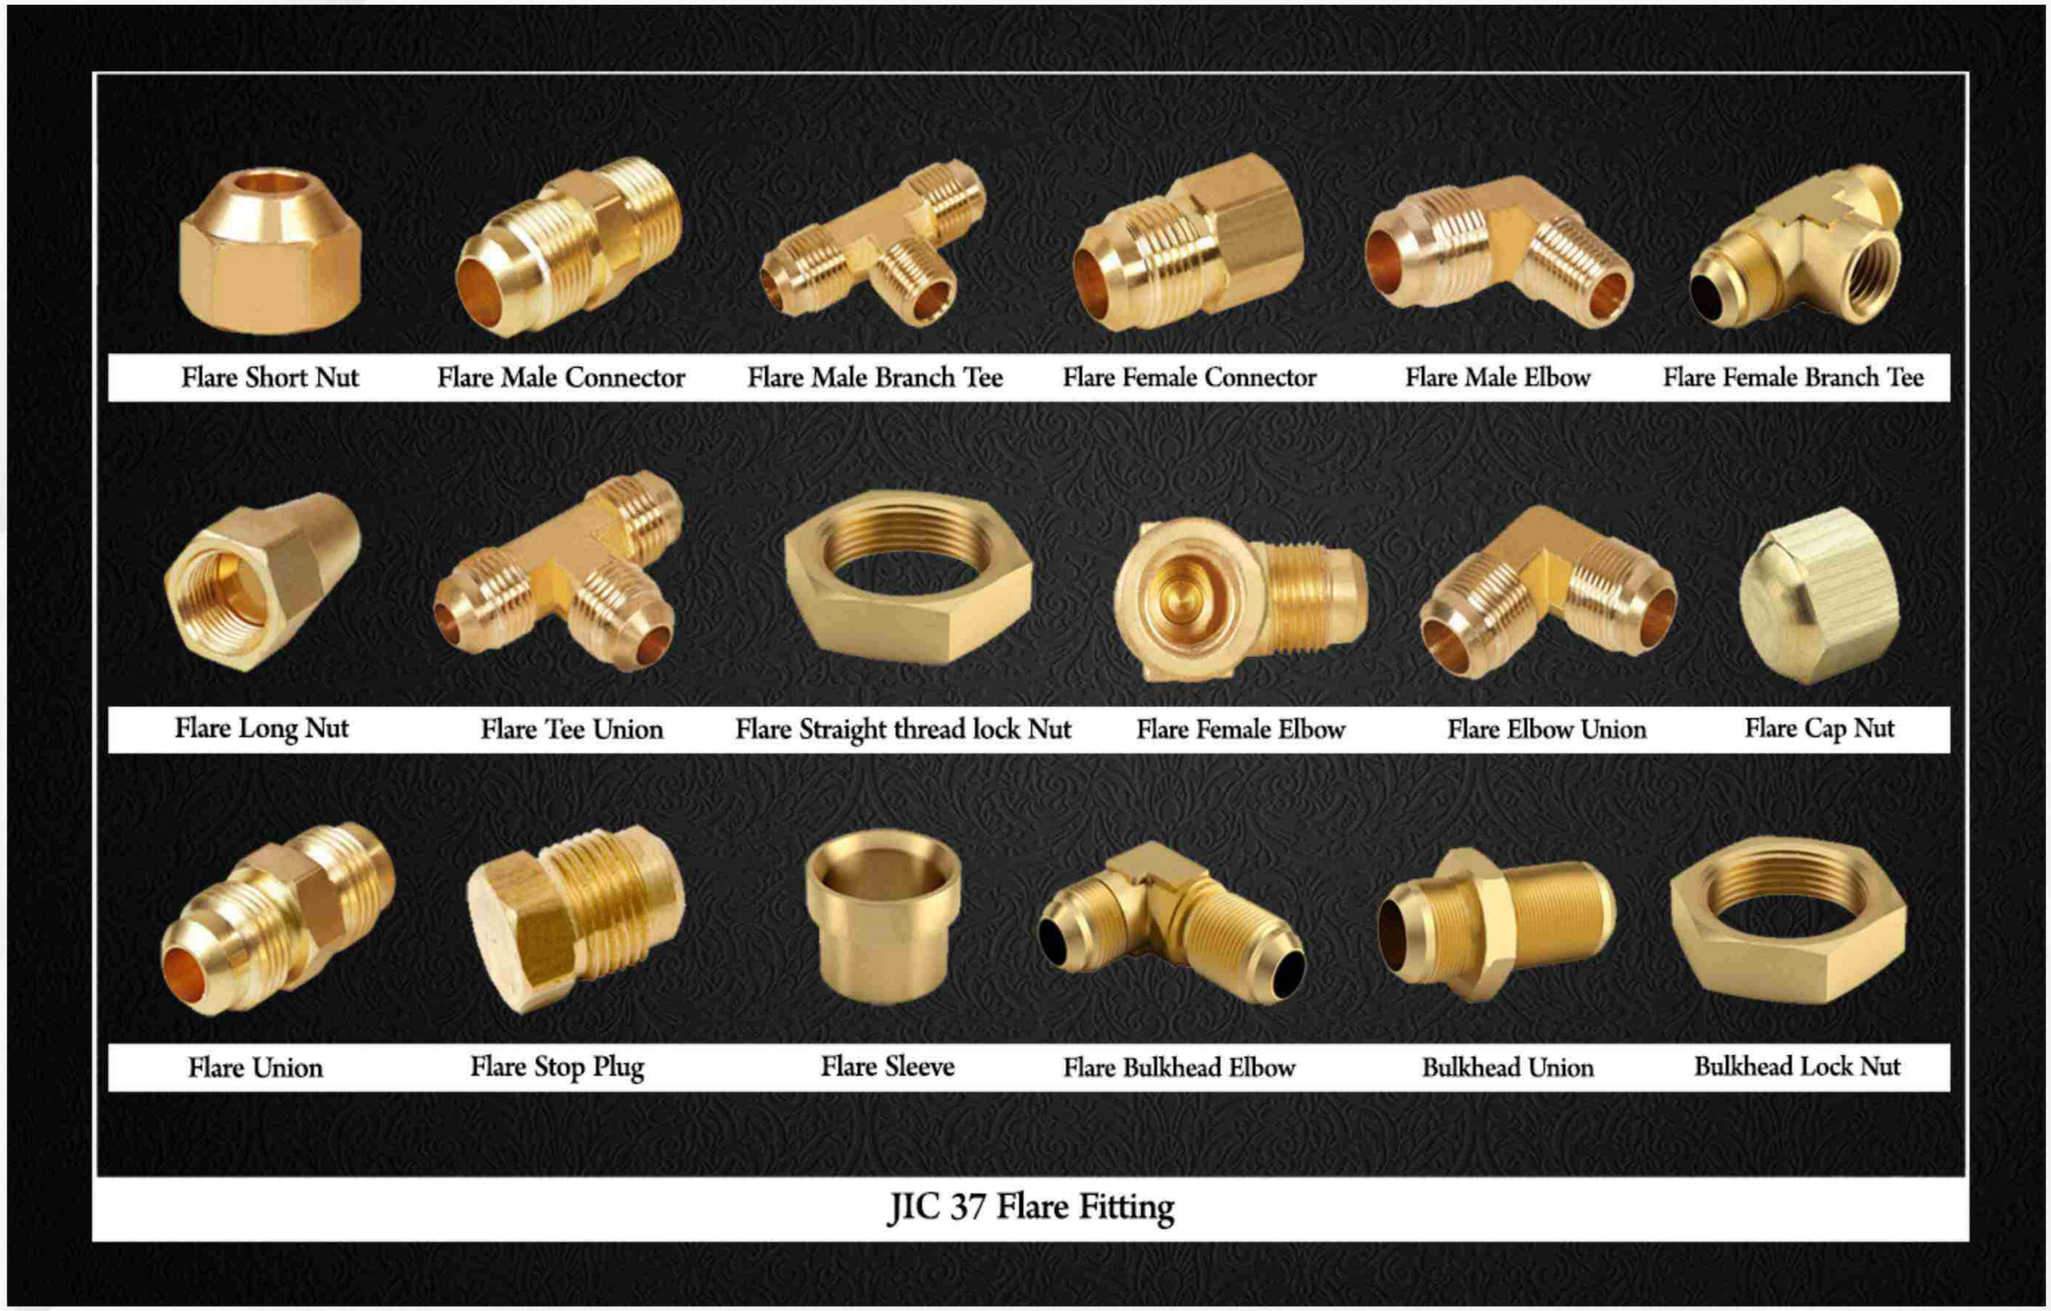

Mfg. of Non-Ferrous Components & Steel Fasteners

**We, Ishita Manufacturer & Exporter Of Highly Precision Garden Hose Barbs**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# JIC 37 Flare Fitting

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

JIC 37 Flare Fitting

**We, Ishita Manufacturer & Exporter Of Highly Precision JIC 37 Flare Fitting**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# SAE 45 Flare Fitting

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

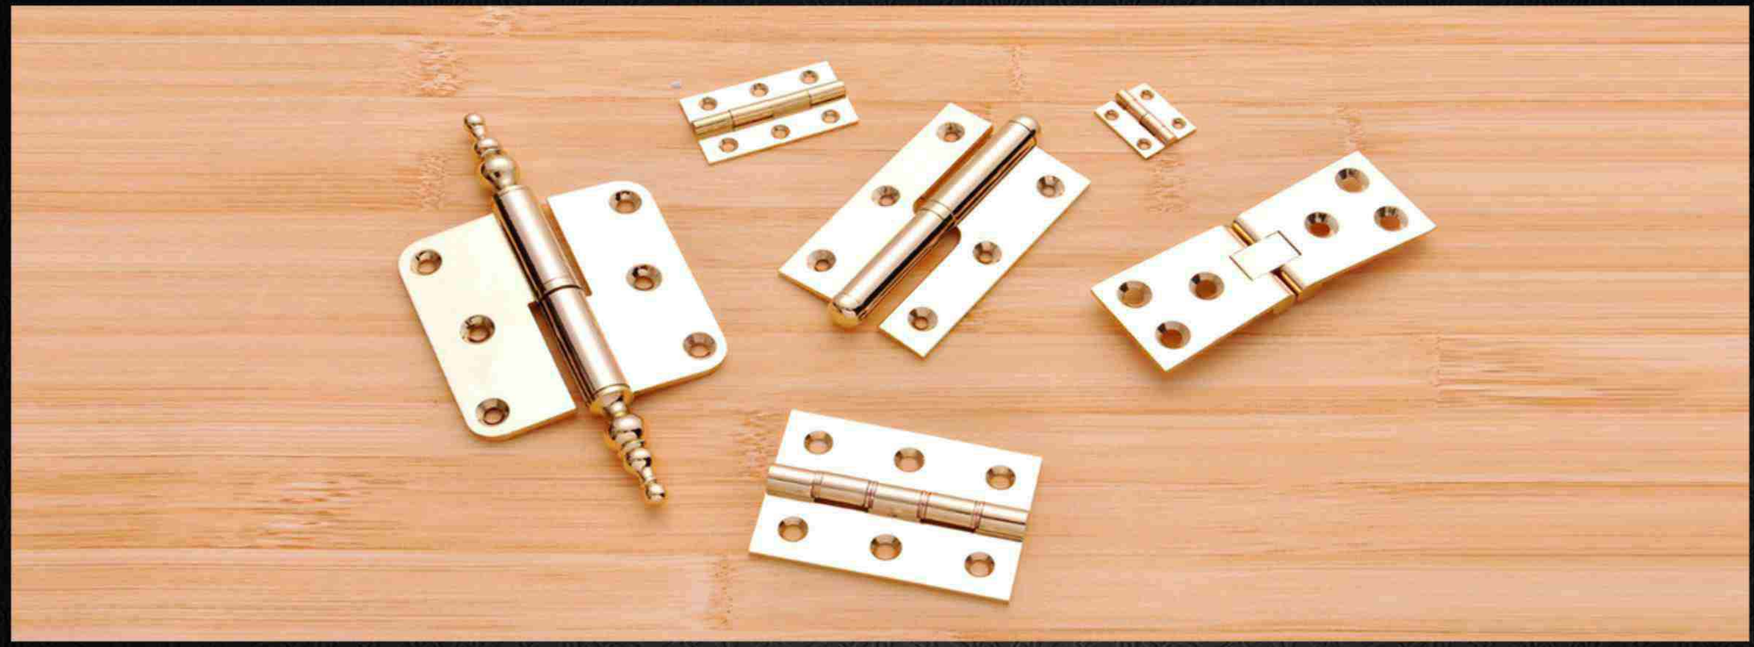

SAE 45 Flare Fitting

**We, Ishita Manufacturer & Exporter Of Highly Precision SAE 45 Flare Fitting**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

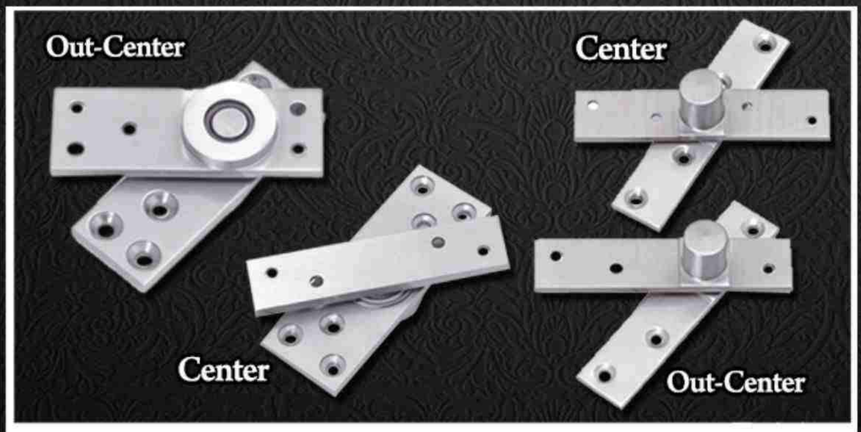

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

# Solid Extruded Precision Brass Hinges

Antique Forged Hinges

Ball Bearing Pivot & Ball Pivot Hinges

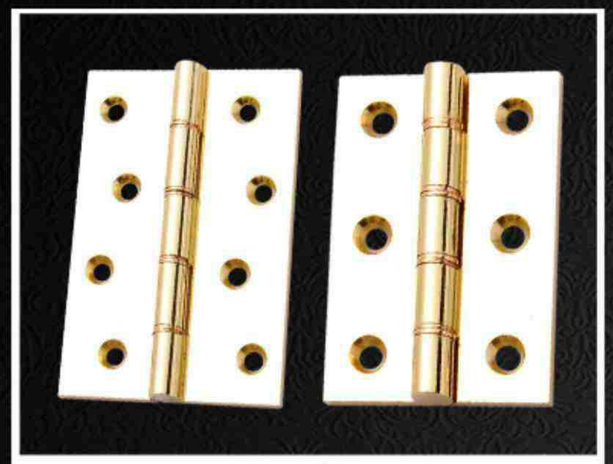

Antique Forged Hinges

**We, Ishita Manufacturer & Exporter Of Highly Precision Hinges**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

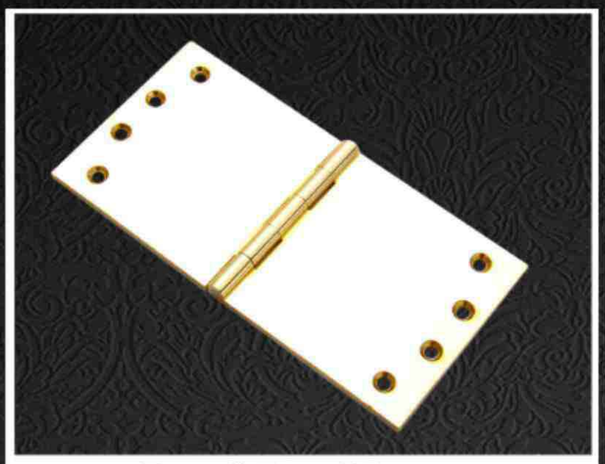

# Hinges

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

## Solid Extruded Precision Brass Hinges

DPBW Washer Hinges

Broad Butt Hinges

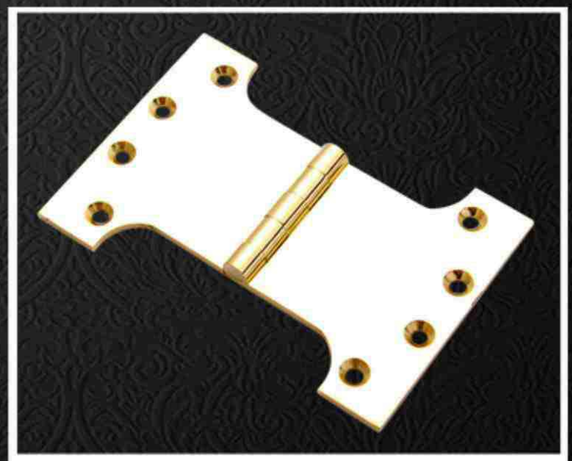

Crown Hinges

Counter Flap Hinges

Butt Hinges

Parliament Hinges

**We, Ishita Manufacturer & Exporter Of Highly Precision Hinges**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Hinges

## Solid Extruded Precision Brass Hinges

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

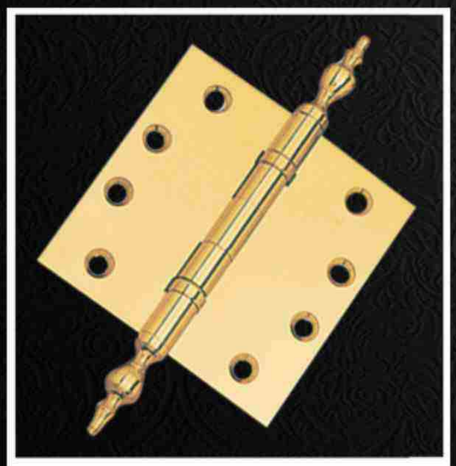

Bearing Hinges

Brass Flush Hinge

Round Corner Butt Hinges

Residential Light Mortise Hinges

H Hinges

Brass Security Hinges

**We, Ishita Manufacturer & Exporter Of Highly Precision Hinges**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Hinges

## Solid Extruded Precision Brass Hinges

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

Off-Set Butt Hinges

Brass Inset Hinges

Lift Off Hinges

Off-Set Bearing Hinges

Single & Double Action Spring Hinges

Butt L-Z Hinges

**We, Ishita Manufacturer & Exporter Of Highly Precision Hinges**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

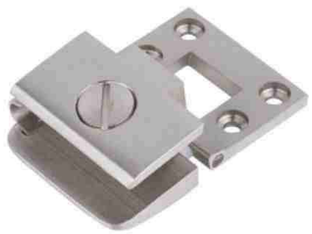

# Glass Hinges

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

Window Hinges

Window Glass To Glass Hinges

Table Hinges

Glass Hinges Corner

Ply To Glass Hinges

Ply To Glass Hinges - 2"

## Solid Extruded Precision Brass Glass Hinges

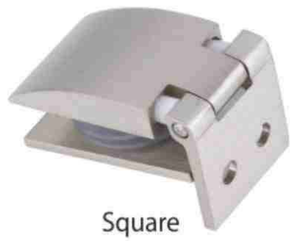

Glass To Glass Hinges

Glass to Glass Hinges - 2"

Glass Knob

Vento Glass Hinges

Round

Square

Wall to Glass Hinges

P. G. Hinges

Glass to Glass - Heavy

Wall to Glass - Heavy

**We, Ishita Manufacturer & Exporter Of Highly Precision Glass Hinges**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Window Fitting

## Solid Extruded Precision Brass window Fittings

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Window Fitting

**We, Ishita Manufacturer & Exporter Of Highly Precision Window Fitting**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Window Fitting

## Solid Extruded Precision Brass window Fittings

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Window Fitting

**We, Ishita Manufacturer & Exporter Of Highly Precision Window Fitting**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Tower-Bolt

## Solid Extruded Precision Brass Tower Bolt

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

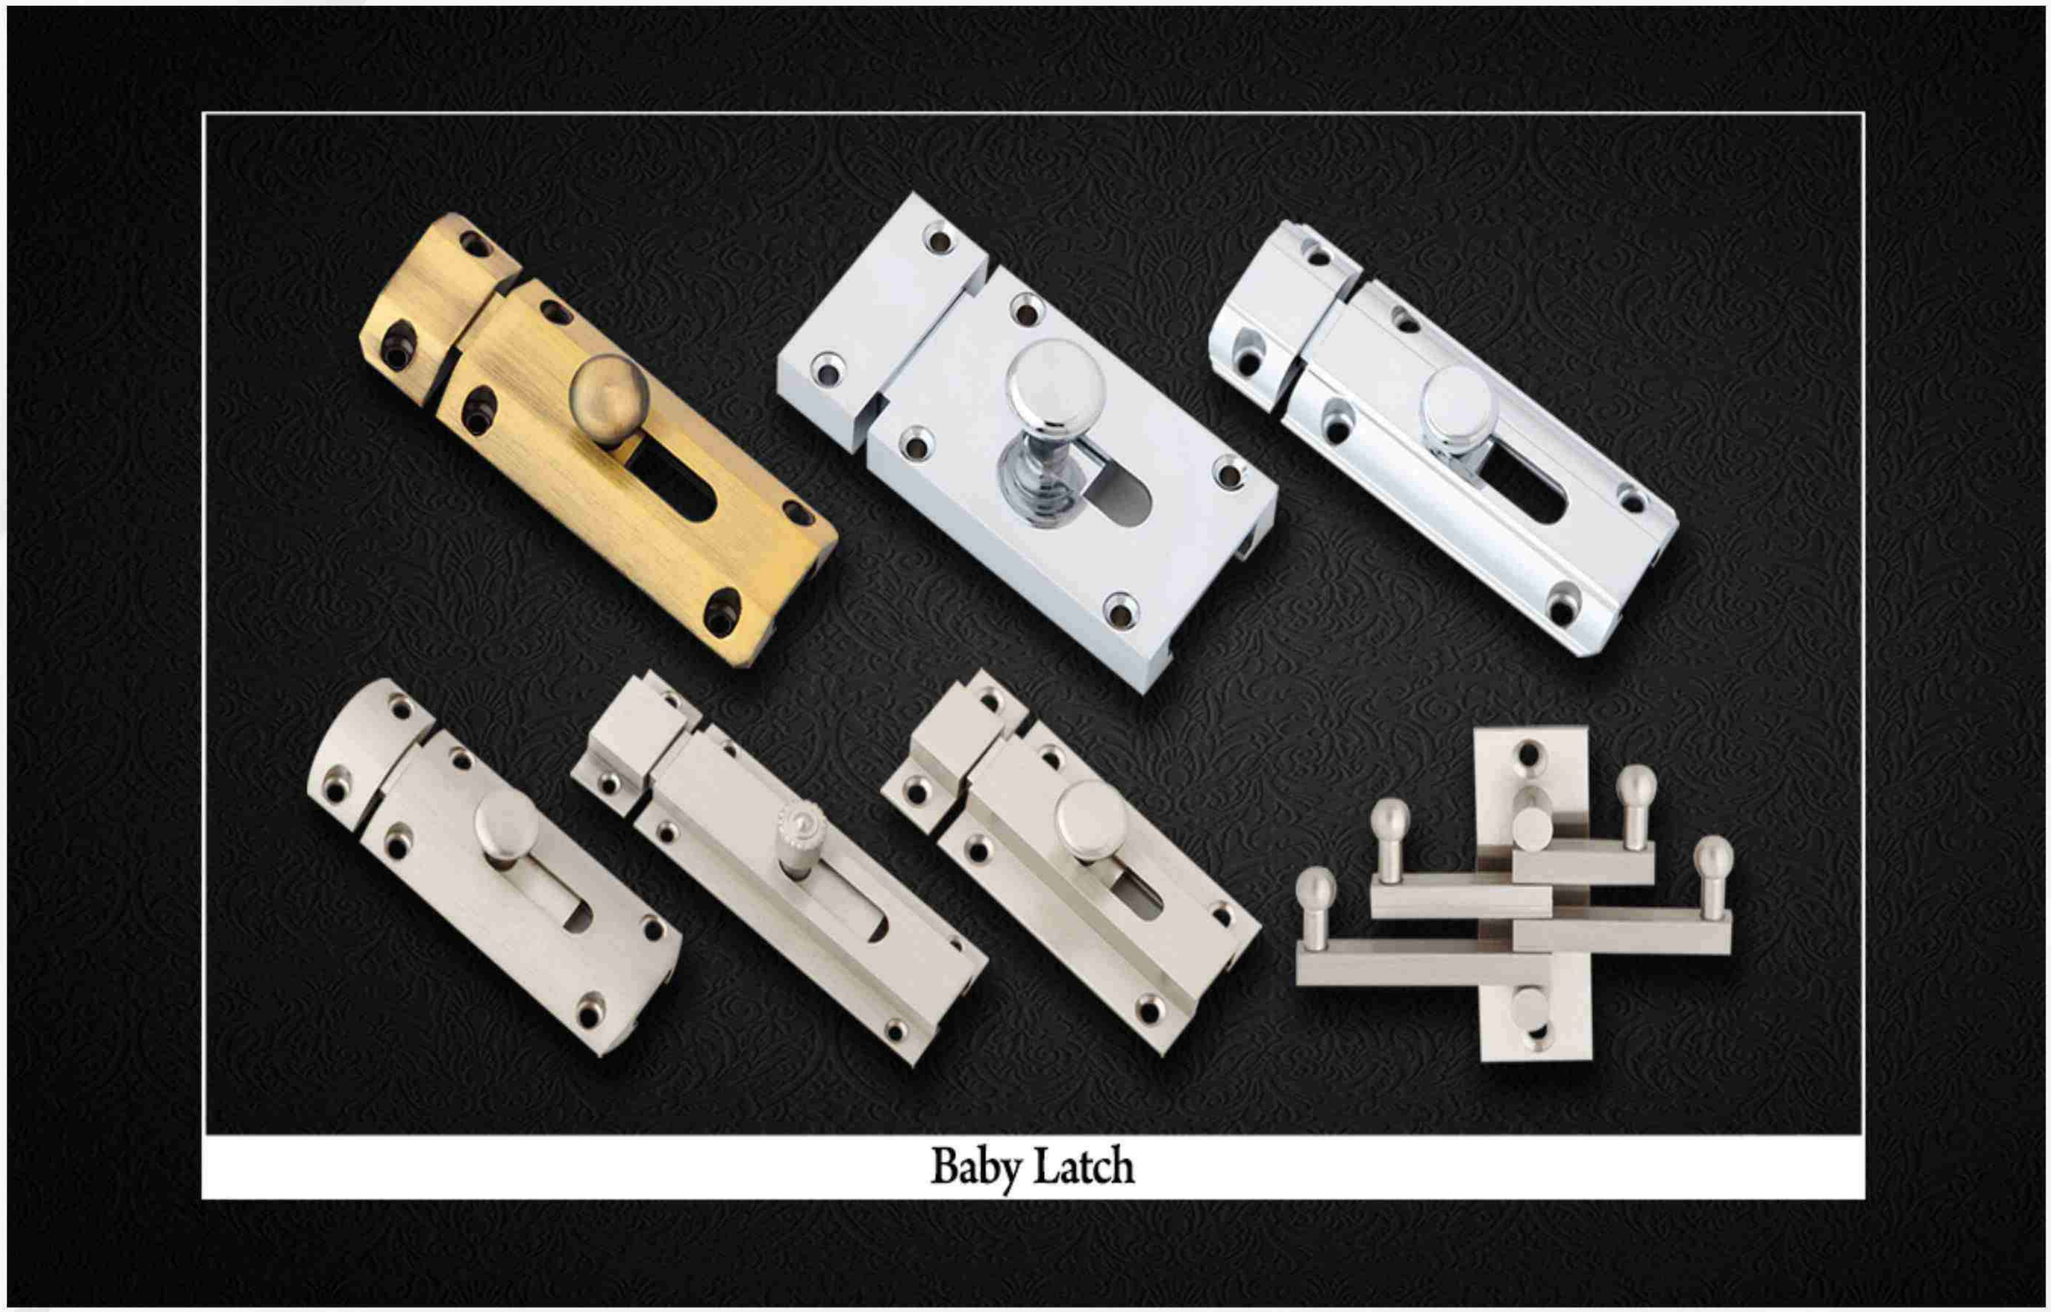

Tower Bolt

**We, Ishita Manufacturer & Exporter Of Highly Precision Tower-Bolt**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Baby Latch

Ishita Industries
Mfg. of Non-Ferrous Components & Steel Fasteners

## Solid Extruded Precision Brass Baby Latch

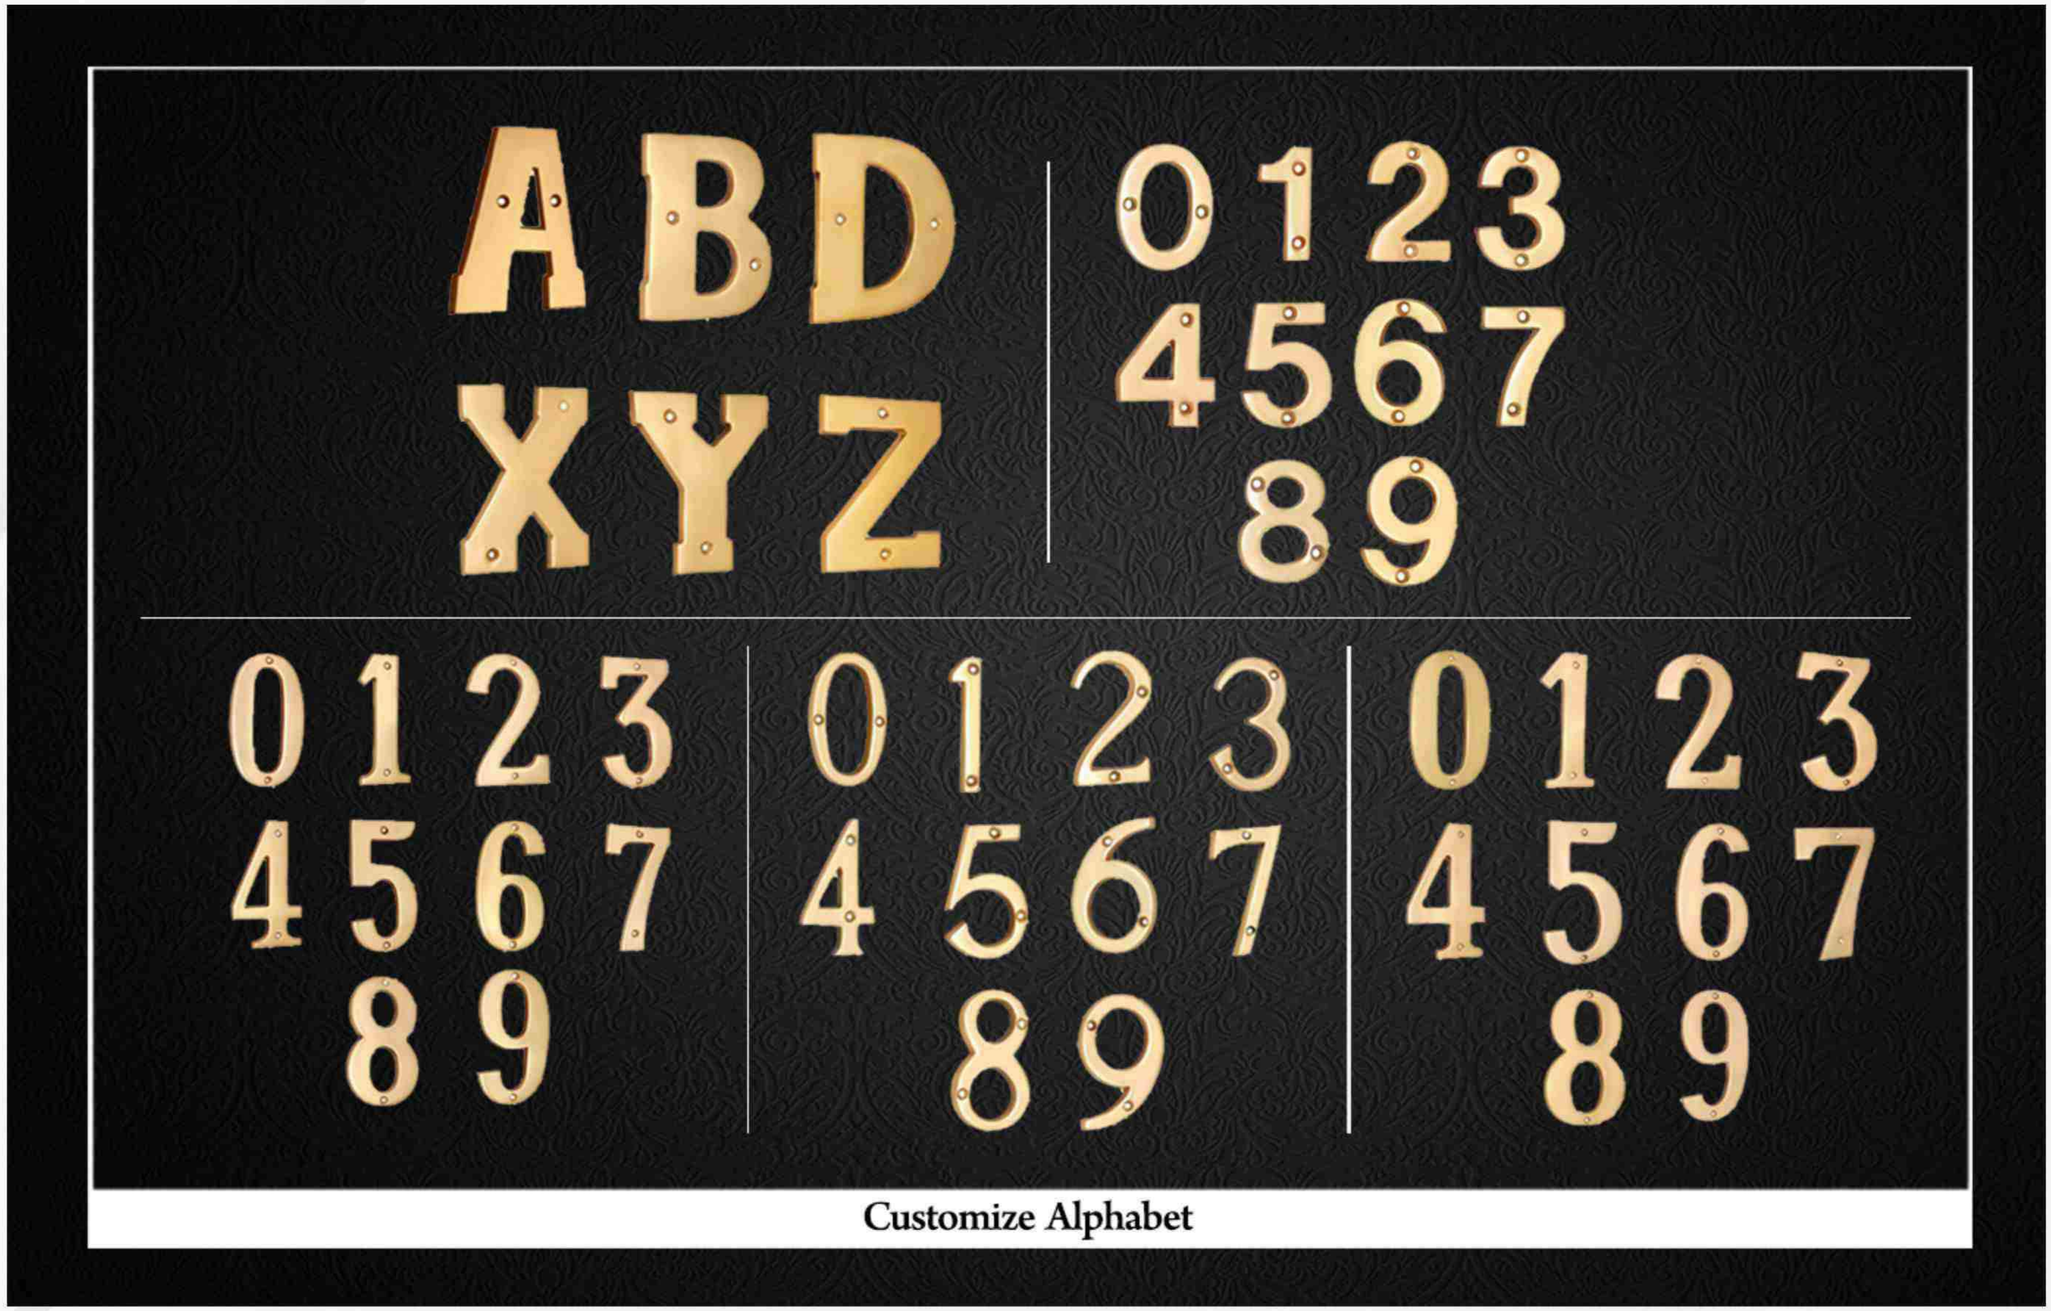

Baby Latch

**We, Ishita Manufacturer & Exporter Of Highly Precision Baby Latch**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Customize Alphabet

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Customize Alphabet

**We, Ishita Manufacturer & Exporter Of Highly Precision Customize Alphabet**
**Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

# Decorative Dooms

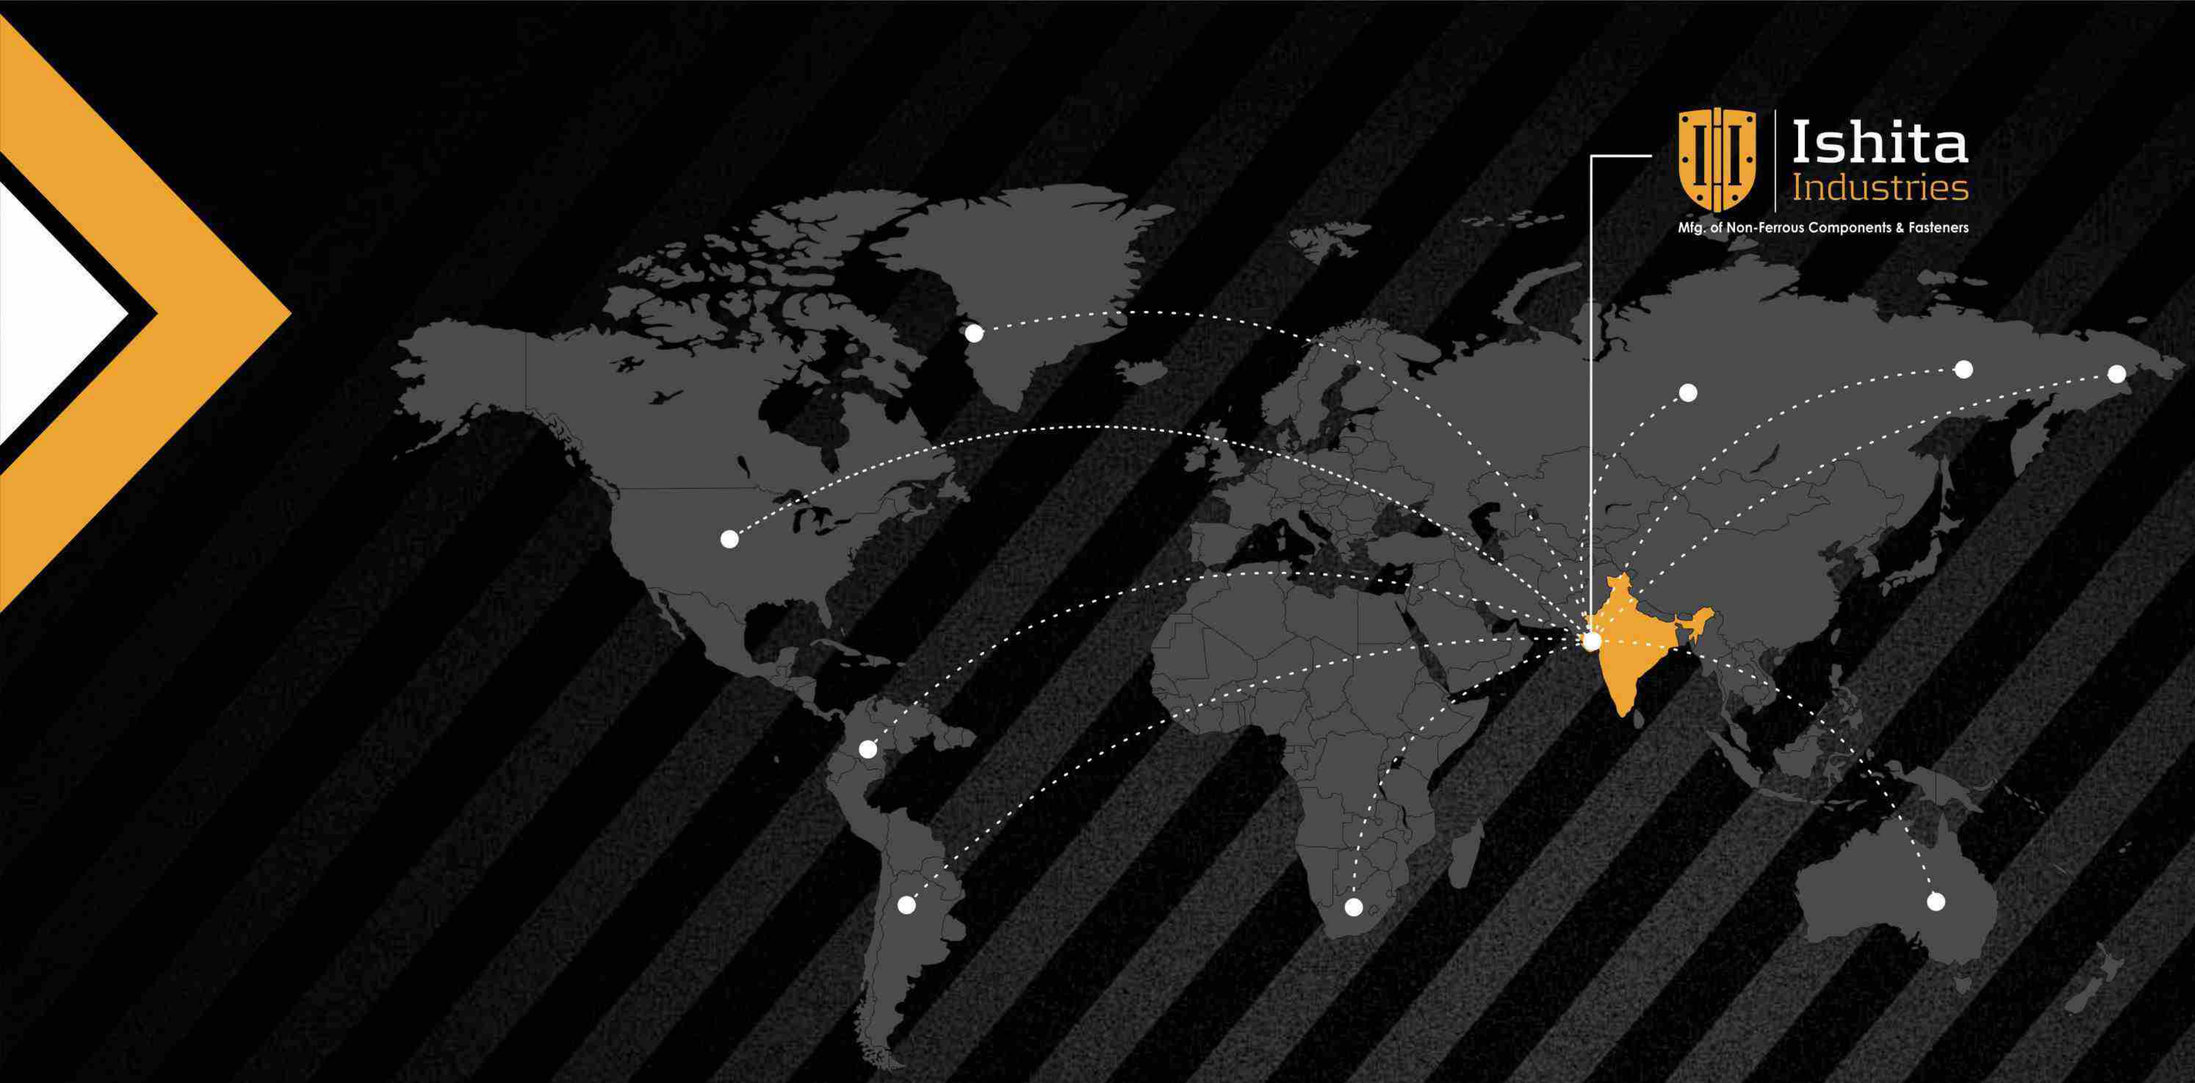

Ishita Industries

Mfg. of Non-Ferrous Components & Steel Fasteners

Dooms

**We, Ishita Manufacturer & Exporter Of Highly Precision Decorative Dooms in Hardware Parts Conforming To Buyers Technical Specification With ( Drawing & Sample ) & Ensure Stringent Quality Standard.**

If you require any Product Developed Exclusively,
not found in our selection, or if you want any product to be Modified as per your Specification,
We have a team of Work-Force Capable to full-fill your Requirement.
